## SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

### ASSAI - \$158,000

We extend our heartfelt gratitude to ASSAI for their incredible generosity and support. With their donation of \$158,000, ASSAI is making a significant impact on the Surrey School District's after-school programs. This funding will be used to purchase adaptive sport and art equipment, ensuring that students with diverse abilities can fully participate in activities.

The Community School Partnership department is dedicated to offering equitable programming for all students including those with disabilities. Thanks to this enhancement fund, we can invest in adaptive equipment and continue collaborating with program partners who bring valuable expertise and connections to our students. ASSAI's commitment helps create inclusive, enjoyable, and safe spaces where every student has the opportunity to engage in enriching after-school experiences.

Thank you, ASSAI, for helping us make a difference in the lives of our students and fostering a sense of community and belonging.
