SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

ASSAI - \$153,000

We are deeply grateful to the After School Sport and Arts Initiative (ASSAI) for their generous funding of \$153,000, which is making a transformative impact on after-school programming in the Surrey School District. This investment is enabling us to purchase adaptive sport and art equipment, ensuring students of all abilities can fully participate in enriching activities. With ASSAI's support, we're breaking down barriers and expanding access to inclusive, engaging, and meaningful after-school experiences.

Through our Community School Partnership department, we remain committed to equitable programming. This funding strengthens our ability to collaborate with community partners, bring in specialized expertise, and foster deeper connections for our students.

Thank you ASSAI for your unwavering commitment to equity and inclusion. Your support helps create safe, welcoming spaces where every student feels a sense of belonging, empowerment, and opportunity.

BC HYDRO - \$2,000

BC Hydro has generously donated \$2,000 for pre-employment certification training for the Clay & Community project delivered through our Education Services School. With these funds, students will obtain additional training that will prepare them to enter the workforce. We are grateful for the support of BC Hydro in delivering this program to youth across the district.

CANADIAN TIRE JUMPSTART - \$10,000

We extend our sincere thanks to Canadian Tire Jumpstart for their generous donation of \$10,000, which supported summer programming for students across the Surrey School District.

Thanks to this funding, students were able to enjoy a safe, inclusive, and engaging environment throughout the summer; filled with opportunities to learn, play, and build meaningful connections with their peers. Jumpstart's support helped ensure that all students, regardless of background or ability, had access to positive, enriching experiences during the break.

We are continually grateful for our strong partnership with Canadian Tire Jumpstart and the ongoing opportunities they help create for our students year-round. Their commitment to removing barriers and promoting inclusion makes a lasting difference in our school communities.

MUSICOUNTS - \$18,000

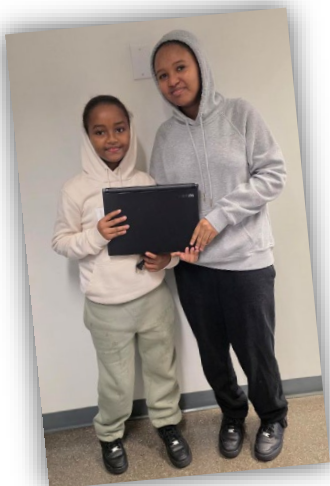

Lena Shaw Elementary has been awarded a band aid grant from MusiCounts for \$18,000 to enhance their schoolwide and extra curricular music programs. MusiCounts Band Aid Grants are intended to equip school music programs with the necessities to give students the chance to discover their talent, empowering them with skills that will help them excel in music and culture! We are excited to see how this expansion enhances music comprehension for our students!

SOUTH SURREY SMILES - \$2,500

South Surrey Smiles provided bursaries to 10 grade 7 classes in South Surrey in recognition of their volunteer work throughout the year. These funds provided students with the opportunity to celebrate all their hard work throughout the year and prepare for high school with a smile!

SURREY FIREFIGHTERS, SPENCE FOUNDATION & MAYOR'S EVENING OF GIVING

A huge thank you to the Surrey Firefighters Charitable Society, Mayor's Evening of Giving, The Spence Foundation, and BC Technology for Learning Society for their donation of 463 refurbished laptops to secondary students in Surrey! Students are thrilled to be able to access key technology that will support them in their education, and we are excited to see this initiative continue!
