Dear Community member,

Each school year, our PAC raises funds through numerous events and initiatives to provide opportunities above and beyond the scope of public funding so that our children have the best possible learning experience.

To meet their fundraising goal and cover costs for this year's areas of need, the PAC is always looking for charitable donations from the community as a way of supporting our children and school communities.

Donations fund classroom wish-lists, educational guest speakers, community events within the school, buses for field trips and special projects.

If you have any questions, please email snokomishpac@gmail.com

Or contact the school.

Thank you for your support.

Regards,

Laura Grills
Principal
Ecole Snokomish
