To the Families of Ocean Cliff,

This morning we had an Air Ambulance helicopter land on our field. I would like to assure everyone that it was not an Ocean Cliff student or staff member involved. As I understand it, a very young child fell in some water. The good news is that the child is fine.

Please note that we made it in an 'Inside Day' to keep the students away from the emergency vehicles, and we announced an update to assure them that everything is fine. However, they may have questions for you, so please help them through an understanding if it comes up.

Sincerely,  
Mr. B. Samra
