April 15th, 2016

Dear Parents,

Please read below for a letter sent out by the district. It is an invitation to attend a community forum at Kwantlen Park Secondary:

Kwantlen Park Secondary school is over capacity. The enrolment pressure continues to grow and change is required to ease the pressure. Two neighbouring secondary schools, Queen Elizabeth and L.A. Matheson, have room to accommodate more students so the Surrey School District has been exploring options to better balance enrolment between the three schools. The district is working on several possible options for change and it will publish those options next week with an explanation about why they are being considered.

Following publication, there will be an opportunity for public feedback on the options before district staff recommend one or two of them to the Surrey Board of Education. In addition to taking feedback online and through the schools, the district will host a community forum at Kwantlen Park Secondary to explain the options being considered.

The community forum will be in the gym at Kwantlen Park Secondary on April 19, 2016. Doors will open at 6 p.m. for a presentation at 6.30 p.m. The forum will conclude at approximately 7.30 p.m.

Please keep an eye on the district website (www.surreyschools.ca) or the Kwantlen Park Secondary website next week for further details about the options and feedback period.

Feel free to contact the school should you have any questions.

Sincerely,

Leah Christensen, Principal
