Dear Parents:

Each school year the Board of Education hosts a community event. Each school is invited to bring one parent. This parent then can share the information learned with other parents. This can be done at a PAC meeting or in another way. I have already extended this invitation to the PAC executive members, but none of them are able to attend. I am now able to open the invitation to other parents. Details of the event are found below. Since only one parent can attend, if more than one parent is interested a lottery will be done.

If you are interested in attending the community event with the Board of Education on February 20th, please email the school at kennedytrail@surreyschools.ca by Friday, February 16th, 2018.

Sincerely,

Christine Shepherd
Principal
