MUSIC SAMPLER Cohort!!!

"The Bell"

The Bell is a long standing tradition at the White Rock Learning Centre. It serves as a reminder to our end goal - Graduation. When a student rings the Bell, it means that they have met all of the requirements for graduation. It is a big deal.

Congratulations Destiny!!!

Are you 14 to 18 years old, reside in BC, and want to create ART that ACTivates System Change and draws attention to social and environmental injustices in our midst?

"Chart the Change" you want to see in the world, and potentially win an iPhone 11, iPad Air, or Air Pods in the process!

Enter the "ChARTing Change Art Contest" at chartingchange.accessstomedia.org

Deadline for Submissions is May 1, 2021.

AN AFTER-SCHOOL ARTS PROGRAM FOR YOUTH 14-18

Want to make a difference using the arts? Work with a team to design & deliver a creative project that takes action on a social issue you choose together. Collaborate & learn with professionals from the arts, non-profit, & private sectors to bring your project to life.

Added plus: A free YLI Kit with the supplies you need for the program, & meals during sessions.

For more information or to register, talk to Gurj!

10 Weeks Online: Meet with team members for 2 hours/week to develop, design, & launch an arts-based project.

Real Connections: Learn with professional artists & leaders from corporate & non-profit sectors. Team chooses areas, issues, & skills to learn about. Mentors will help.

Make A Difference: From mental health to food insecurity & everything in between, take action on an issue, using the arts.

A Chance To Create: Your choice of art forms. Make films, write scripts, build websites, design comic strips. Professional artists will guide your learning.

When & Where: Sessions run using Zoom on Wednesdays from 4-6 pm. You need a computer or tablet, with a microphone & camera, & internet access. Contact YLI if you don't have these tools at home - they can help!

MOVIE MAKING WORKSHOP (AGES 13-19)

There are so many art forms that go into creating a great film. Sound, lights, cinematography, acting, and directing. But at its core, it all comes down to storytelling. Understanding how each art form adds its own artistic expression is key to creating a great film.

This class is meant to expand our awareness of the different aspects of movie making and to learn how we, as actors, can explore ways of shifting, adjusting, and connecting to the work to share the story.

Dates: Mondays, March 29 to June 25, 2021 (10 weeks - No class Apr. 5, May 24, and May 31)

Time: 5:15 - 7:15 pm

Cost: Free of charge, thanks to the generous support of Prospera Credit Union

Surrey School District Program
2020-2021

YoBro | YoGirl Youth Initiative – Surrey School District Program 2020-2021

In collaboration with the Surrey School District, Yo Bro | Yo Girl Youth Initiative (YBYG) is providing an extra-curricular program during the school day for youth. Information about YBYG can be found online at <http://ybyg.ca>.

Participation in the 2020-2021 YBYG program in Surrey Schools is a great opportunity to connect with an influential, positive adult who can listen to and relate to youth with the goal of increasing youth connection and engagement. There will be occasions to identify and adjust behaviors associated with risk and to make healthier life choices. Participants will also be provided with opportunities to learn and develop themselves with the goal of becoming fully prepared and empowered to contribute their personal best to society and to become tomorrow's leaders. Youth and YBYG mentors may participate in community walks, and dialoguing sessions. When Provincial Health Orders allow, there will also be the opportunity for physical activities to take place, such as working out in school recreational facilities. At such time, additional consents will be sent home for participants to be able to participate in physical activities.

Snacks will be provided, and staff should be notified if there are any food allergies or restrictions.

Participants participating in the YBYG program must follow the Public Health Officer and Surrey School District requirements. YBYG staff will be wearing masks during the program, and will be following BC Ministry of Health and Surrey School District guidelines which can be viewed at <https://www.surreyschools.ca/covid19/healthsafety/Documents/Surrey%20Health%20and%20Safety%20Guidelines.pdf>. If students are in the same cohort, wearing masks is a personal choice, and therefore parents should send a mask along with their child if they would like their child to wear one while in the program. Students participating in programs consisting of different cohorts will be required to wear a mask or maintain physical distancing.

Participants and parents should ensure that participants do not attend the YBYG program if the participant is ill including, but not limited to, symptoms associated with any respirator disease (e.g., the common cold, allergies or COVID-19). Parents must provide contact information to the outreach mentor and must be available to pick up their child during their child's in-person's session in the event that their child becomes ill during this in-person session.

If you have any questions, please contact Jaclyn Blaney (Surrey Safe Schools) 778.772.3863 or Joe Calendino (YBYG Executive Director) 778.828.7299.

INTERESTED IN **FOOD SAFE OR SERVING IT RIGHT?** Please talk to Susan!

FOODSAFE LEVEL 1 is a food handling, sanitation and work safety course designed for food service establishment operators and front line food service workers such as cooks, servers, bussers, dishwashers, and deli workers. The course covers important food safety and worker safety information including foodborne illness, receiving and storing food, preparing food, serving food, cleaning and sanitizing.

SERVING IT RIGHT and Special Event Server are British Columbia's mandatory self-study courses that educate licensees, permittees, managers and servers about their legal responsibilities when serving and selling liquor.
