MOVIE MAKING WORKSHOP (AGES 13-19)

There are so many art forms that go into creating a great film. Sound, lights, cinematography, acting, and directing. But at its core, it all comes down to storytelling. Understanding how each art form adds its own artistic expression is key to creating a great film.

This class is meant to expand our awareness of the different aspects of movie making and to learn how we, as actors, can explore ways of shifting, adjusting, and connecting to the work to share the story.

Dates: Mondays, March 29 to June 25, 2021 (10 weeks - No class Apr. 5, May 24, and May 31)

Time: 5:15 - 7:15 pm

Cost: Free of charge, thanks to the generous support of Prospera Credit Union
