### CBC FILMING & RADIO

On Wednesday, Wawmeesh, a CBC reporter and long time friend of teacher Kama, and his camera person, Gord, were here interviewing Kama's students about "what school has been like during the pandemic". This was an amazing and emotional session with our students.

We will pass along the viewing information once we have it.

**TODAY**

Tune in to **On The Coast** with Gloria Macarenko this afternoon at 4:05 today to hear Cade P and Kama reflect on the one year mark of the pandemic: <https://www.cbc.ca/listen/live-radio/1-46-on-the-coast>

### EMILY CARR

Featured last week, Sebastien, an Emily Carr student and a SSWRLC graduate is facilitating a **community art project** at our school.

On Thursday, Seb was joined by an Emily Carr classmate who filmed Seb teaching our students as part of a short documentary project for Emily Carr. It is fantastic to have these older students modelling their learning and their passion.

# COMING UP...

## MOVIE MAKING WORKSHOP (AGES 13-19)

There are so many art forms that go into creating a great film. Sound, lights, cinematography, acting, and directing. But at its core, it all comes down to storytelling. Understanding how each art form adds its own artistic expression is key to creating a great film.

This class is meant to expand our awareness of the different aspects of movie making and to learn how we, as actors, can explore ways of shifting, adjusting, and connecting to the work to share the story.

**Dates:** Mondays, March 29 to June 25, 2021 (10 weeks - No class Apr. 5, May 24, and May 31)

**Time:** 5:15 - 7:15 pm

**Cost:** Free of charge, thanks to the generous support of Prospera Credit Union

- **YOUTH EMPOWERING YOUTH (YEY)** is dedicated to empowering younger generations with resources and opportunities to grow. Led by two youth facilitators who are passionate about empowering youth.
- Nine 90-minute sessions, once a week, over Zoom, and encourages student participation.
- A new principle each class builds on previous principle. This helps students take accountability for their thoughts, feelings, & actions, thus moving them into a place of confidence, security, and self-assurance.

**VISION:** Help schools create a culture that empowers, strengthens, & develops leaders. Inspire youth to be accountable for their own thoughts, feelings, and actions; help them become responsible citizens.

**MISSION:** Create a safe environment to cultivate a sense of security, confidence, & self-assurance.

**OUTCOME:** We all have unique gifts and intrinsic value to offer. YEY serves as a catalyst to help youth explore their talents & contribute to the community in a powerful, positive, and meaningful way.

**AFTER GRADUATION:** Upon completion, youth have opportunity for leadership roles and co-facilitate future programs to help empower more peers!
