Building Resiliency through Self-Regulation, Hope, & Belonging

This week at school....

- EARTHQUAKE DRILL was reviewed and practiced on Tuesday 
- WEDNESDAY was **Administrative Assistant "Secretary" Day!** This is the day we get to celebrate and say **THANK YOU** to our clerical support staff for all they do to help keep our school running!
 Thank you Dee, Lesley and Cheryl!

- On THURSDAY we held our spring Parent/Teacher/Student Virtual Conferences. Thank you to all parents and guardians who connected with our staff. This is an important process and it means a lot to us to be able to connect and discuss your child's progress. Thank you for your flexibility in helping us make these conferences happen, despite COVID.

- Thursday was EARTH DAY!

School Updates...

Report Cards were published in MyEdBC on Monday afternoon. Please contact the school 604-536-0550 or your child's teacher(s) if you have any questions or concerns. We have now started Term #4, the last term of this school year. The last day of classes is June 17th.

Health & Safety—the district has created a [fact sheet](#) (see below) and a [short video](#) to remind our communities of the health and safety protocols we are implementing in our schools due to COVID 19.

Please view the video here: [short video](#)

Looking forward...

- May 7 - Non-Instructional Day (Friday school on May 6)
- May 24 - Victoria Day Stat (No school)
- May 31 - Non-Instructional Day (No school)

LET'S KEEP OUR SCHOOLS SAFE

The Surrey School District recognizes the importance of face-to-face learning and is committed to ensuring our students can continue to learn as safely as possible by following all appropriate measures to limit the spread of illness.

With the final quarter of the school year beginning and cases increasing in our community, it is so important that we continue to remain vigilant.

Staff and students should continue to follow health and safety protocols, including:

Check up
Do a daily health check and stay home if you are unwell. And if you have symptoms get tested.

Back up
Maintain physical distance where possible, including within your cohort.

Wash up
Wash or sanitize your hands regularly.

Mask up

All K-12 staff and students in grades 4-12 must wear a mask in all indoor areas.

Students in Kindergarten and grades 1-3 are encouraged to wear a mask.

Wear your mask safely – ensure it is clean and dry, is a good fit, covers your nose and mouth fully. And remember, don't touch your face or play with your mask.

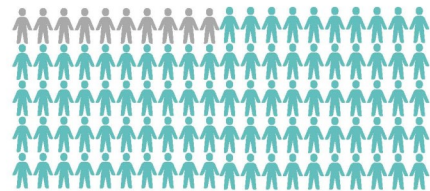

Thank you for everything that you are doing to keep our schools safe

Our schools have remained open through the pandemic. Keeping schools open keeps children and youth active and connected to their peers, which is vital to their well-being.

Our ability to remain open is a testament to the fact that our staff and students are protecting each other and following protocols consistent with public health guidelines and recommendations.

Thank you for all you do to keep our schools safe.

Over 90% of our school-based staff have received their first dose of vaccine.
