- **Deadline for submission of entries is June 15, 2021.** Hand in to Kama.

Good Luck!

LET'S KEEP OUR SCHOOLS SAFE

The Surrey School District recognizes the importance of face-to-face learning and is committed to ensuring our students can continue to learn as safely as possible by following all appropriate measures to limit the spread of illness.

With the final quarter of the school year beginning and cases increasing in our community, it is so important that we continue to remain vigilant.

Staff and students should continue to follow health and safety protocols, including:

- Check up: Do a daily health check and stay home if you are unwell. And if you have symptoms get tested.
- Back up: Maintain physical distance where possible, including within your cohort.
- Washup: Wash or sanitize your hands regularly.
- Mask up: All K-12 staff and students in grades 4-12 must wear a mask in all indoor areas. Students in Kindergarten and grades 1-3 are encouraged to wear a mask.
- Wear your mask safely - ensure it is clean and dry, is a good fit, covers your nose and mouth fully, and remember, don't touch your face or play with your mask.

Thank you for everything that you are doing to keep our schools safe!

Our schools have remained open through the pandemic. Keeping schools open keeps children and youth active and connected to their peers, which is vital to their well-being.

Our ability to remain open is a testament to the fact that our staff and students are protecting each other and following protocols consistent with public health guidelines and recommendations.

Over 90% of our school-based staff have received their first dose of vaccine.

2021 Canadian Census!

You may have heard that the 2021 Census is underway. It has been a challenging year for families, and the census might seem like another thing on your busy to-do list. However, we would like to encourage you to complete your census, if you haven't already done so.

Census data helps governments at all levels plan for schools, transportation, community centres, libraries and recreational activities. Data from the 2021 Census will be even more crucial, because it will help to evaluate the impact of the pandemic and to better plan for the future.

You can quickly and easily complete your census questionnaire at www.census.gc.ca using the access code you received in the mail. If you need assistance, or would like to have a paper (or alternate format) questionnaire, please call the Census Help Line at 1-855-340-2021.

Thank you for doing your part to help plan for a better future for all Canadians.

Summer Learning 2021

FOR YOUR INFORMATION...

NEWS RELEASE! NEW FOUNDRY BC APP FOR ACCESSING MENTAL HEALTH SERVICES!

(Foundry offers young people ages 12-24 health and wellness resources, services and supports – online and through integrated service centres in communities across BC.)

Youth and their caregivers around British Columbia now have faster, easier access to mental health and substance use services and supports through the new Foundry BC app.

- Co-created by youth for youth, the Foundry BC app offers young people aged 12 to 24 and their caregivers access to integrated health and wellness services through their mobile device or an online web portal: www.foundrybc.ca/virtual
- Services offered through the app and web portal include drop-in and scheduled counselling, primary care, peer support and group sessions.
- At a time when in-person services have been reduced due to COVID-19 safety measures, the Foundry BC app and web portal will allow young people and their caregivers to schedule virtual appointments in advance, access same-day support through messaging, audio or video sessions, join group sessions with peers, and access web-based tools and resources.
- As with all Foundry services, no referrals are required, and services are free and confidential. For youth and caregivers who have limited or no access to the internet, Foundry's provincewide virtual services team also provides support by phone at 1 833 FOUNDRY (1-833-308-6379).
- The Foundry BC app is available for download through the Apple Store and Google Play store.

Health through wellness

National Indigenous Peoples' Day Contest

We encourage Children and Youth to share why
National Indigenous Peoples' Day is a day to celebrate
by preparing a write up and including a picture.

Here are some ideas that students could include:

- That the Surrey National Indigenous People's Day (NIPD) is an Indigenous Led Event (Semiahmoo, Katzie, and Kwantlen)
- That NIPD was proclaimed in 1996
- How National Indigenous People's Day is connected to the Summer Solstice
- A day for everyone to celebrate the contributions to Canada of the First Nation, Métis, & Inuit People
- The day is for celebrating the diversity of Indigenous People across Canada

Winner will receive a "Build an Indigenous Bear kit"
to complete at school.

The week of June 7, the NIPD Committee will video the
"Build an Indigenous Bear" making to share June 21 at
Surrey's National Indigenous Peoples' Day.
Submissions due to Kama by June 3, 2021.

For more info talk to Kama.

INTERESTED IN FOOD SAFE OR SERVING IT RIGHT? Please talk to Susan!

FOODSAFE LEVEL 1 is a food handling, sanitation and work safety course designed for food service establishment operators and front line food service workers such as cooks, servers, bussers, dishwashers, and deli workers. The course covers important food safety and worker safety information including foodborne illness, receiving and storing food, preparing food, serving food, cleaning and sanitizing.

SERVING IT RIGHT and Special Event Server are British Columbia's mandatory self-study courses that educate licensees, permittees, managers and servers about their legal responsibilities when serving and selling liquor.

Summer Learning Courses

We have been informed that there are still open seats in the following Summer Learning courses.

- Construction Trades at Princess Margaret (Carpentry, Electrical, Plumbing and Welding)
- Culinary Trades Exploration at Enver Creek (Cooking, Baking, and Meat Cutting)
- Drafting 11 at LA Matheson

SEE SUSAN FOR MORE INFORMATION

DISTRICT PARTNERSHIP PROGRAMS - 2021

NOTE: Partnership Applications are due in by April 14, 2021.

Surrey School District has formed partnerships with post secondary institutions to provide trades training and other training programs for high school students before they graduate. Students gain qualifications and test the career waters before graduation. Other benefits may include:

- **Dual credit** – obtain high school and college credit (up to 36 credits)
- **Complete Level One** of the technical trades training
- **Tuition is paid** by the School District for most programs
- **Possibility of paid work** or an **apprenticeship** in the trades programs (16 credits)

See **Susan Martin**, Career Facilitator, for details and applications.

She can be reached at martin_susan@surreyschools.ca.
