Building Resiliency through Self-Regulation, Hope, & Belonging

This week at school...

Taking time to honour and remember 215 children tragically lost at a residential school in Kamloops.

"The Bell"

The Bell is a long standing tradition at the White Rock Learning Centre. It serves as a reminder to our end goal - Graduation.

Congratulations Maddie & Kaidan

The Melody of Our Dreams

Like dreams music rings true
 It lets us see the world in a symphony of hue
 When we find that one person who speaks to us
 We reach out our hand with no fuss
 Distant lands or the next town over
 Music reveals us, full exposure
 Passion desire we shape our dreams
 With every note the less of a dream it seems
 Like dreams music rings true
 The only thing it needs is you

SUMMER STRATEGIES – HELPING THINGS GO BETTER

Things can look different for families like ours, and summer activities are no exception. When mental health is in the picture, sometimes our energy can fluctuate, and it can be the same for our kids. Whether you are struggling a little bit or a lot, there may be something in this conversation that could help things go better this summer.

Let's talk together about ways we can adjust activities to match our family's capacity at the moment. And we'll have a summer bingo card, just for fun!

LET'S KEEP OUR SCHOOLS SAFE

The Surrey School District recognizes the importance of face-to-face learning and is committed to ensuring our students can continue to learn as safely as possible by following all appropriate measures to limit the spread of illness.

With the final quarter of the school year beginning and cases increasing in our community, it is so important that we continue to remain vigilant.

Staff and students should continue to follow health and safety protocols, including:

- Check up: Do a daily health check and stay home if you are unwell. And if you have symptoms get tested.
- Back up: Maintain physical distance where possible, including within your cohort.
- Washup: Wash or sanitize your hands regularly.
- Mask up: All K-12 staff and students in grades 4-12 must wear a mask in all indoor areas. Students in Kindergarten and grades 1-3 are encouraged to wear a mask.
- Wear your mask safely - ensure it is clean and dry, is a good fit, covers your nose and mouth fully, and remember, don't touch your face or play with your mask.

Thank you for everything that you are doing to keep our schools safe!

Our schools have remained open through the pandemic. Keeping schools open keeps children and youth active and connected to their peers, which is vital to their well-being.

Our ability to remain open is a testament to the fact that our staff and students are protecting each other and following protocols consistent with public health guidelines and recommendations.

Over 90% of our school-based staff have received their first dose of vaccine.

FOR YOUR INFORMATION...

NEWS RELEASE!

NEW FOUNDRY BC APP FOR ACCESSING MENTAL HEALTH SERVICES!

(Foundry offers young people ages 12-24 health and wellness resources, services and supports – online and through integrated service centres in communities across BC.)

Youth and their caregivers around British Columbia now have faster, easier access to mental health and substance use services and supports through the new Foundry BC app.

- Co-created by youth for youth, the Foundry BC app offers young people aged 12 to 24 and their caregivers access to integrated health and wellness services through their mobile device or an online web portal: www.foundrybc.ca/virtual
- Services offered through the app and web portal include drop-in and scheduled counselling, primary care, peer support and group sessions.
- At a time when in-person services have been reduced due to COVID-19 safety measures, the Foundry BC app and web portal will allow young people and their caregivers to schedule virtual appointments in advance, access same-day support through messaging, audio or video sessions, join group sessions with peers, and access web-based tools and resources.
- As with all Foundry services, no referrals are required, and services are free and confidential. For youth and caregivers who have limited or no access to the internet, Foundry's provincewide virtual services team also provides support by phone at 1 833 FOUNDRY (1-833-308-6379).
- The Foundry BC app is available for download through the Apple Store and Google Play store.

We invite you to join us in fundraising for our current grads, and for the 2021-2022 school year! You can help by using our phone # (604-536-0550) when you return your refundable containers to Return-It Express.

Welcome to Express! Here are some tips for your first Return-It Express trip:

How it works:

1. Put your containers in clear plastic bags, no sorting needed!
2. At the Express depot, use the phone # of your organization **(604-536-0550)** to log in at the kiosk and print your bag labels, remember one label per bag.
3. Put a label on each of your bags and drop them off.
4. We'll sort your containers and credit your organization's Express account with your refund within 10 business days.

Accepted Containers

Express accepts beverage containers that are a part of the Return-It system - other recyclables are not accepted.

No Sorting Required

Simply bring your labelled bags filled with unsorted containers to an Express Depot and we'll do the rest.

Use multiple bags for heavy returns

Heavy or overfilled bags can break open and are difficult to handle - this may cause the contents of your bag to break or go missing. If your bag has more than 12 glass bottles in it, it is likely too heavy. Please split overfilled bags into 2 separate bags.

Bag containers in clear bags

Transparent recycling bags or clear trash bags are available for purchase at many grocery stores, drug stores, or hardware stores.

Are you a youth or know a youth who is interested in diving deeper into your own potential? Are you interested in getting to know more about yourself?

Join our Workshop on Sunday, June 27 via Zoom

ABOUT THE WORKSHOP:

This workshop is hosted by Youth Empowering Youth (YEY) from Low Entropy Foundation. In this workshop we aim to make connections, share stories, and encourage discovery and curiosity. Our intention is for youth to take small steps forward to discover more about themselves and the world around them. This is an amazing opportunity for youth to grow in their leadership, especially for those already part of YEY.

REGISTRATION:

- This workshop, "Taking Small Steps Towards Growth", is for ages 13+.
- To be held on Sunday, June 27 from 4:30-5:30 pm via Zoom.
- Will be led by two Youth Facilitators.
- To register, go to <https://linktr.ee/youthempoweringyouth>, fill out the form, and submit it.
- For more info contact Channpreet Kaur, Workshop Coordinator, at channpreet@lowentropy.org.
