FOR YOUR INFORMATION...

NEWS RELEASE! NEW FOUNDRY BC APP FOR ACCESSING MENTAL HEALTH SERVICES!

(Foundry offers young people ages 12-24 health and wellness resources, services and supports – online and through integrated service centres in communities across BC.)

Youth and their caregivers around British Columbia now have faster, easier access to mental health and substance use services and supports through the new Foundry BC app.

- Co-created by youth for youth, the Foundry BC app offers young people aged 12 to 24 and their caregivers access to integrated health and wellness services through their mobile device or an online web portal: www.foundrybc.ca/virtual
- Services offered through the app and web portal include drop-in and scheduled counselling, primary care, peer support and group sessions.
- At a time when in-person services have been reduced due to COVID-19 safety measures, the Foundry BC app and web portal will allow young people and their caregivers to schedule virtual appointments in advance, access same-day support through messaging, audio or video sessions, join group sessions with peers, and access web-based tools and resources.
- As with all Foundry services, no referrals are required, and services are free and confidential. For youth and caregivers who have limited or no access to the internet, Foundry's provincewide virtual services team also provides support by phone at 1 833 FOUNDRY (1-833-308-6379).
- The Foundry BC app is available for download through the Apple Store and Google Play store.

WHERE WELLNESS TAKES SHAPE

WE INVITE YOU TO JOIN US IN FUNDRAISING FOR OUR CURRENT GRADS, AND FOR THE 2021-2022 SCHOOL YEAR!

You can help by using our phone # (604-536-0550)
when you return your refundable containers
to Return-It Express.

Here's how it works:

1. Put your containers in clear plastic bags, no sorting needed!
2. At the Express depot, use the phone # of your organization (604-536-0550) to log in at the kiosk and print your bag labels, remember one label per bag.
3. Put a label on each of your bags and drop them off.
4. We'll sort your containers and credit your organization's Express account with your refund within 10 business days.

Accepted Containers

Express accepts beverage containers that are a part of the Return-It system - other recyclables are not accepted.

Use multiple bags for heavy returns

Heavy or overfilled bags can break open and are difficult to handle - this may cause the contents of your bag to break or go missing. If your bag has more than 12 glass bottles in it, it is likely too heavy. Please split overfilled bags into 2 separate bags.

No Sorting Required

Simply bring your labelled bags filled with unsorted containers to an Express Depot and we'll do the rest.

Bag containers in clear bags

Transparent recycling bags or clear trash bags are available for purchase at many grocery stores, drug stores, or hardware stores.
