## WE INVITE YOU TO JOIN US IN FUNDRAISING FOR OUR CURRENT GRADS, AND FOR THE 2021—2022 SCHOOL YEAR!

You can help by using our phone # (604-536-0550) when you return your refundable containers to Return-It Express.

### Here's how it works:

1. Put your containers in clear plastic bags, no sorting needed!
2. At the Express depot, use the phone # of your organization (604-536-0550) to log in at the kiosk and print your bag labels, remember one label per bag.
3. Put a label on each of your bags and drop them off.
4. We'll sort your containers and credit your organization's Express account with your refund within 10 business days.

### Accepted Containers

Express accepts beverage containers that are a part of the Return-It system - other recyclables are not accepted.

### No Sorting Required

Simply bring your labelled bags filled with unsorted containers to an Express Depot and we'll do the rest.

### Use multiple bags for heavy returns

Heavy or overfilled bags can break open and are difficult to handle - this may cause the contents of your bag to break or go missing. If your bag has more than 12 glass bottles in it, it is likely too heavy. Please split overfilled bags into 2 separate bags.

### Bag containers in clear bags

Transparent recycling bags or clear trash bags are available for purchase at many grocery stores, drug stores, or hardware stores.
