What's Happening at School...

Final Term #4 Elective Options!!!

Beginning April 19, we will be offering a few Term 4 elective cohorts. These classes will run from April 19 until the end of the school year. In order to be successful in these courses students should demonstrate:

- ◆ Regular attendance, strong communication skills and a willingness to learn!
- ◆ Students are required to present a mature and responsible attitude in class, and during their community experiences.

Community Cohort—Engineering Design 12

The Community Cohort provides students the opportunity to actively participate in their school and community. Students will be involved in a number of "hands on" activities/skills, including woodwork projects and bike repair. Partnering with community organizations will be a focus.

This course focuses on:
 service learning...
 team building...
 social and emotional growth...

PHE 10 /Active Living 11 & 12 And Girl's PE Cohort

These courses meet the requirements of the PHE 10, Active Living 11 and 12 curriculums and will appeal to those students who have an interest in being active and fit. An emphasis is on the achievement of personal fitness goals that promote health and wellness.

- ⇒ Promoting active participation
- ⇒ Nurturing the development of positive attitudes towards fitness
- ⇒ Recognizing the difference in students' interests, potential, and ability levels
- ⇒ Developing personal "Goal Setting" skills

New Provincial COVID-19 Communicable Disease Guidelines for K-12 Settings.

Here's what you need to know about the updated guidelines when returning from March break:

Daily Health Checks should continue to be practiced by students, staff and parents. If you feel unwell, stay home.

Masks are no longer required in indoor settings, though students and staff may continue to wear a mask as a personal choice. This choice will be supported and treated with respect in all our schools. Disposable masks will continue to be available at our sites for those that wish to use them. For those that have travelled outside of Canada, please ensure you follow federal travel guidance, including wearing a well-constructed and well-fitting mask when in public spaces, both indoors and outdoors for 14 days following entry into Canada.

Hand Hygiene should also be practiced. Be sure to diligently wash your hands with soap and water, and make use of an effective hand sanitizer.

Visitors are allowed at schools again. Schools can return to routine sign in/out practices and do not need to keep a list of names, visiting dates and contact information of visitors for communicable disease prevention purposes. Check with your school on visitor protocols.

School Gatherings remain permitted at 50% capacity indoors until the PHO Gatherings and Events Order is lifted. Spectators may attend gatherings and events such as theatre productions, sports games and tournaments within capacity limits. Proof of vaccination is not required to attend school-led gatherings and events. Check with your school on how they will begin transitioning to in-person gatherings.

Classroom arrangements may return to previous learning environment configurations that best meet student needs and preferred educational approaches. Schools should still consider strategies to create space between students.

Field trips are permitted. Schools should avoid venues/locations that place additional requirements that could prevent anyone from being able to participate.

Schools should continue to create a supportive school environment, including utilizing a trauma-informed lens when planning school activities.

Registration

WE INVITE YOU TO JOIN US IN FUNDRAISING FOR OUR CURRENT GRADS, AND FOR THE 2021—2022 SCHOOL YEAR!

You can help by using our phone # (604-536-0550) when you return your refundable containers to Return-It Express.

Here's how it works:

1. Put your containers in clear plastic bags, no sorting needed!
2. At the Express depot, use the phone # of your organization (604-536-0550) to log in at the kiosk and print your bag labels, remember one label per bag.
3. Put a label on each of your bags and drop them off.
4. We'll sort your containers and credit your organization's Express account with your refund within 10 business days.

Accepted Containers

Express accepts beverage containers that are a part of the Return-It system - other recyclables are not accepted.

No Sorting Required

Simply bring your labelled bags filled with unsorted containers to an Express Depot and we'll do the rest.

Use multiple bags for heavy returns

Heavy or overfilled bags can break open and are difficult to handle - this may cause the contents of your bag to break or go missing. If your bag has more than 12 glass bottles in it, it is likely too heavy. Please split overfilled bags into 2 separate bags.

Bag containers in clear bags

Transparent recycling bags or clear trash bags are available for purchase at many grocery stores, drug stores, or hardware stores.
