New Provincial COVID-19 Communicable Disease Guidelines for K-12 Settings.

Here's what you need to know about the updated guidelines when returning from March break:

Daily Health Checks should continue to be practiced by students, staff and parents. If you feel unwell, stay home.

Masks are no longer required in indoor settings, though students and staff may continue to wear a mask as a personal choice. This choice will be supported and treated with respect in all our schools. Disposable masks will continue to be available at our sites for those that wish to use them. For those that have travelled outside of Canada, please ensure you follow federal travel guidance, including wearing a well-constructed and well-fitting mask when in public spaces, both indoors and outdoors for 14 days following entry into Canada.

Hand Hygiene should also be practiced. Be sure to diligently wash your hands with soap and water, and make use of an effective hand sanitizer.

Visitors are allowed at schools again. Schools can return to routine sign in/out practices and do not need to keep a list of names, visiting dates and contact information of visitors for communicable disease prevention purposes. Check with your school on visitor protocols.

School Gatherings remain permitted at 50% capacity indoors until the PHO Gatherings and Events Order is lifted. Spectators may attend gatherings and events such as theatre productions, sports games and tournaments within capacity limits. Proof of vaccination is not required to attend school-led gatherings and events. Check with your school on how they will begin transitioning to in-person gatherings.

Classroom arrangements may return to previous learning environment configurations that best meet student needs and preferred educational approaches. Schools should still consider strategies to create space between students.

Field trips are permitted. Schools should avoid venues/locations that place additional requirements that could prevent anyone from being able to participate.

Schools should continue to create a supportive school environment, including utilizing a trauma-informed lens when planning school activities.

Volunteer Opportunity

Volunteers are often our former campers but volunteering is open to virtually anyone. Being a volunteer is often the first step towards becoming a staff member at the Royal Soccer Club. Volunteers are treated like staff and expected to maintain a good work ethic by assisting all staff onsite and providing a fun and safe learning atmosphere for campers. Volunteers should be energetic, enthusiastic, responsible and a team player. Volunteers are required to watch a volunteer video prior to starting which will be forwarded to you shortly before camp starts.

Please note that in order to be eligible to volunteer with us, you must be at least 14 years old by that week of camp. If you are 18 or older you must provide a police record check for the vulnerable sector.
