## Principal's Message

Hello Parents, Students, & Families,

Thank you for continuing to engage in your child's learning during these challenging times. Whether you have chosen to send your children to school or are choosing to continue with learning remotely, we are pleased to see the enthusiasm for learning through Teams meetings, FreshGrade posts, and the work that your children are submitting to their teachers.

The first week back, to face to face instruction, has been a wonderful experience and the teachers and students have made the best of being in the school under such unique situations. As we have low numbers and have a better understanding of those that are choosing to return to face to face instruction, beginning tomorrow - the week of June 8th, we will be combining the students in Group A and Group B and will now be following the schedule below:

**K - 5/6    Group A&B attend Tuesdays & Fridays**

**Grade 6    Group A&B attend Tuesdays**

**Grade 7s Group A&B attend Fridays**

*There will be no classes in session on Mondays, Wednesdays, or Thursdays. Custodial staff will continue to focus on deep cleaning protocols on the days that classes are not in session.*

Rest assured, even with combining the two groups, we will have very low numbers in each classroom and this number is well below the recommended 50% density. All families, whose children are in Group A, should have been contacted this past Friday, by either clerical staff or teachers, to inform them of the change in schedule. If your children are in Group B, their schedule remains the same.

Later in the week, we will also communicate out a schedule to pick up personal belongings and school supplies, for those *not* attending face to face instruction.

Stay healthy,

Mrs. Jennifer Tarnowski, Principal

## Class Placements

It is the time of year when we begin to plan for the following school year. If your family **will not** be returning to Cougar Creek in September, please let the office know as soon as possible so that we have the most accurate information for our planning moving forward. As the school is currently closed to outside visitors, please call or email the school to let us know of your move.

## Cougar Creek's Creative Kids

1 - Esha's sculpture.

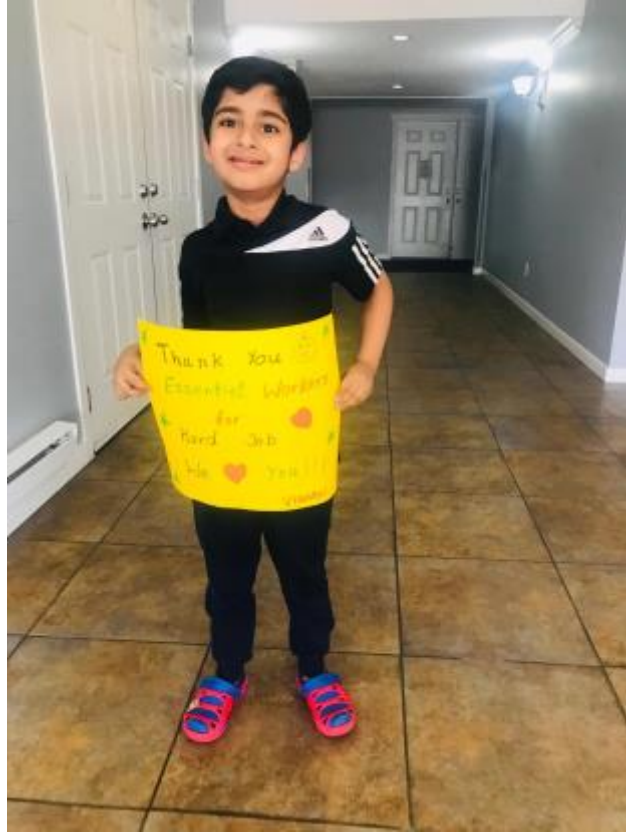

2 - Aarifah uses her imagination to create with blocks.

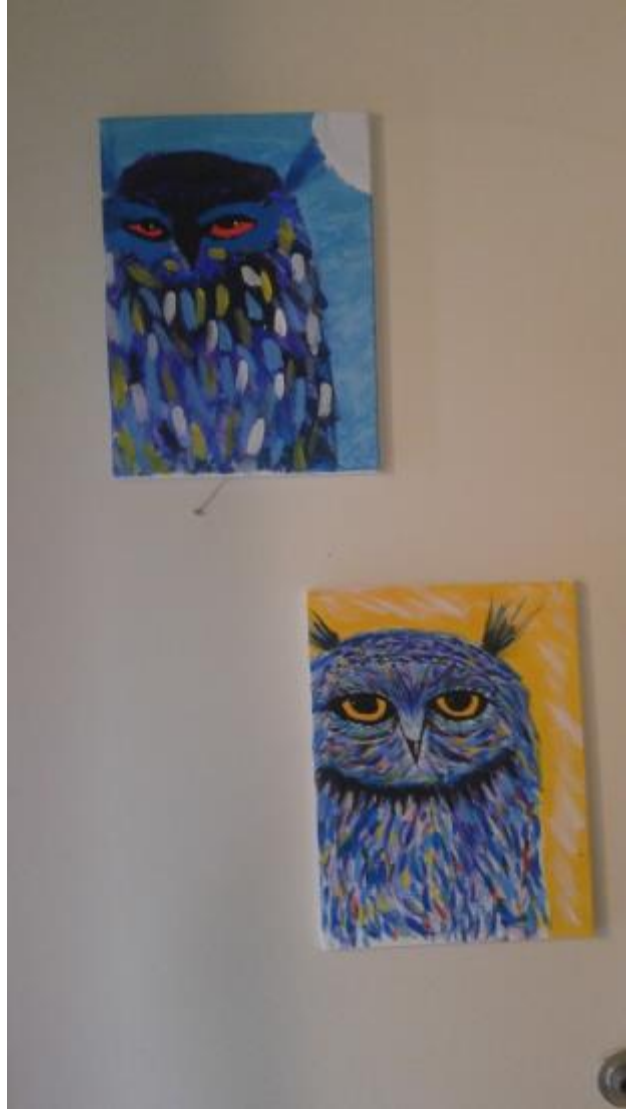

3 - Leonor finds some objects at home for every letter of her name. Can you do this for your name?

4 - Arman is doing some planting (and learning about science, too).

5 - Vihaan made the poster of "Special Thanks" for the essential workers who are working hard for the community to stop the spread of Covid 19.

6 - Aiden and his mom have been working on their painting skills. Take a look at this fabulous owl art.

## Cougar Creek Gets Active

*7 - Fatih helping out around the house.*

*8 - Kayaking is a great way to stay active and fit.*

*9 - Fatih & Hasan's family enjoying a bike ride.*
