During the **month of February**, we will continue to celebrate **KINDNESS!** Did you know that one small act of **kindness** can start a chain reaction?  Practice saying kind words and doing random acts of **kindness** for each other this **month**.

In 2007, Berwick Nova Scotia classmates David Shepherd and Travis Price bought and distributed 50 pink shirts after a student at their school was bullied for wearing a pink shirt. With that act of kindness, **Pink Shirt Day** was born.  The last Wednesday of each February is now the national anti-bullying day across Canada. February 23rd is Pink shirt Day – wear pink.

February is **Black History Month** – please take this opportunity to educate your child. Black History Month is a time to honor, celebrate and reflect on the stories, experiences and accomplishments of Black Canadians here in British Columbia and across the country.

The last day to order for the PAC Pizza Hut Lunch is February 15th – please go to <https://munchalunch.com/schools/cougarcreek>. Please contact the PAC if you need  assistance with ordering at cougercreekhottlunch@gmail.com

In November, many students at Cougar Creek joined **Science Fair Club**. Science Fair provides students with the opportunity to develop the skills, processes, attitudes, and scientific habits of mind that allow them to pursue their own inquiries using scientific methods. Students have engaged in research, experiments, and innovative thinking and  design. Students will present their projects on **Friday, February 18th and/or Tuesday, February 22nd, 2022** at school. Four projects will be selected to present virtually at the Surrey District Science and Innovation Fair on March 2nd to March 4th, 2022 from 5-8 pm.
