PLEASE FOLLOW HEALTH GUIDELINES

Dear Woodland Park Families,

As evidenced from the Notification Letter sent by email over the weekend, Covid-19 is in our community. Please do what you can to keep yourself, your family and everybody else safe. Follow the guidelines from our Health Officials:

- wear a mask,
- practice social distancing,
- avoid touching your face,
- wash your hands often
- do the daily health check for symptoms
- stay home if you are ill

Especially parents attending the school to pick up and drop off children, please follow the simple suggestions outlined above.

Your help with this is most appreciated,

Sincerely,

Paul Taylor,
Principal
