

PAC Fundraiser: Created by Kids

Turn your child's art into gifts with Created by Kids! This local company uses your child's artwork to make high quality gifts such as greeting cards, calendars, ornaments, mugs, magnets, puzzles, and more. It's a perfect gift for the winter holiday season and other occasions and celebrations! Browse available products at createdbykids.ca

This is an optional PAC fundraiser benefitting our school as Latimer Road will receive 30% of every order placed. Last year we raised \$800 for our school!

How your child can participate:

1. Your child's teacher may have an in-class art session where the kids can create their art at school.
 - Art will be sent home for parents to review along with information on how to order gifts (art is on one side of form and ordering instructions are on the back).
 - Art needs to be returned to your child's teacher by **Tuesday, November 4.**
 - If you would like a second form for your child so they can create art both in-class and at home, please ask your child's teacher for an extra Created by Kids form.
2. Your child will bring home a blank form to create their art at home.
 - Use the provided form and have your child create their art within the black bordered area. Kids can use paint, felt, pencil crayon, pastels or crayons. Be bold and colouring can be slightly beyond the border. Try not to have any exposed glue or glitter, smudges or eraser marks.
 - Once art is completed, follow the instructions on the back of the form to order online.
 - Return the art to your child's teacher by **Tuesday, November 4.**

After November 4, forms are sent to Created by Kids to make the ordered gifts. Pick up will be after school during the first week of December. If you order gifts you will be contacted by email by the PAC regarding pick up day and time.
