Dear Parents/Guardians and Students:

*On behalf of the entire Woodland Park staff, we wish you a very Merry Christmas. May the joy of the season fill your hearts! Through giving of ourselves, we receive 10 fold. May this resonate with all of us throughout the year. Be safe, have fun and do take a moment to relax. See you in 2014!!*

*Ms. Harrison*

### Snow days

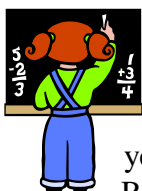

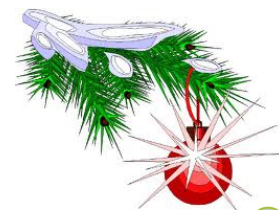

Yes, the snow has arrived and the children are delighted and anxious to play outside. I am not an advocate of “bubble wrapping” our children and saying “no” to the fun; therefore, I ask for your assistance. Please be sure to have your son/daughter dress appropriately for the weather. This includes mittens and warm boots (not runners).

When the snow is fluffy, we will set up a snowball zone on the back side of the soccer field. Please speak with your child(ren) about this zone. If they are not prepared for the potential snowball strike, they should choose not to be in the zone. I am allowing tobogganing down the back gentle slope of the playground. Again, a conversation around safe sledding would be appreciated. Sleds come down the centre and the students are to return up the far sides so they are not in the path of the sleds. In addition, no standing and sliding on the icy patches as we don't want any broken bones!

If you want your son/daughter to have extra protection, you may consider having them wear a helmet while sledding.

*Thanks for your support!*
