Christmas is approaching fast. Here at old yale we celebrate diversity.

Whatever holiday you are celebrating during this time, we want to wish you all a happy holiday. Santa and his elf went to every classroom and got to hand out treats to all the wonderful students here. We played Christmas music and decorated our halls for the annual deck the halls celebration.

Our new playground is installed now and should be ready in the new year. We look forward to the students coming back in January to a new playground.

December 18th is Spirit wear day!
Come dressed in your favorite pyjamas.
