Hot Lunch Orders

Munchalunch is open to order lunches for the January-March dates. The January 20th lunch requires the order to be placed and paid by January 12th.

Kindergarten registration begins Monday, January 16, 2017

Children who turn 5 before January 1, 2018 are eligible to begin school in September 2017.

See attached sheets for more information.

Reminders to Parents/Caregivers:

- ☼ Please be sure to turn off your car engines when you are dropping off lunches for your children. We do have a number of people sensitive to fumes.
- ☼ Students must be picked up no later than 2:48 PM when the school bell goes, as there is no supervision after school. Our office staff and teachers cannot be responsible for keeping their eyes on the students. If you are unable to pick your child up at this time, please ensure arrangements are made with a daycare provider, neighbour, etc.
- ☼ If you are making any payments for school activities such as hot lunch, field trips, etc., please ensure that you have the exact amount as we are unable to make change.

THANK YOU!

Walking safely in slippery conditions

Walking Safely Like a Penguin in a Winter Workplace Wonderland

Walking to and from parking lots or between buildings at work during the winter requires special attention to avoid slipping and falling. Slips and falls are some of the most frequent types of injuries that occur during the winter months.

No matter how well the snow and ice is removed from parking lots and sidewalks, pedestrians will still encounter some slippery surfaces when walking outdoors in the winter. It is important for everyone to be constantly aware of these dangers and to learn to walk safely on ice and slippery surfaces.

It is recommended to keep these important safety tips in mind:

WALKING ON ICY SURFACES

- During bad weather, avoid boots or shoes with smooth soles and heels, such as plastic and leather soles. Instead, wear shoes or boots that provide traction on snow and ice; boots made of non-slip rubber or neoprene with grooved soles are best.

LEADERSHIP IN LEARNING
