

December Newsletter Holly Elementary

Principal/Vice Principal Message

It has been a happy and busy place at Holly these past few months, and we are now heading into the whimsical month of December. It seems like only yesterday we were working on our September start up, and now there are Christmas lights decorating our world. We wanted to express our gratitude to you all for your incredible support as we guide your children through this wonderful journey of learning.

In our last newsletter, we talked about perseverance. As you know, we had a COVID exposure at the school, and we thank you for your support and patience. We will continue to work hard to be safe at school and we thank you for all your diligence at home. We must continue to follow the medical officer's advice and the protocols set out by the Provincial Health authorities. It's been a long time and this is difficult for everyone, but we know that the good work we do now will help everyone in the future. We are very proud of our staff and learners. We have been doing our best and we will continue to persevere. Please continue to do your best outside of the school by performing daily health checks, washing your hands, and wearing your masks everywhere. Limit your contacts and please be careful.

We wanted take a moment to share this powerful message. It is worth taking a breath, clicking on this link and reminding yourself that you have so much to be thankful for. Remember we can do **anything**, but we cannot do **everything**. We need each other, and we are thankful for your children, the staff we have the pleasure to work with, and for all that our parents are doing at home.

You're doing an Amazing Job (click here)

*Check BCCDC's Symptoms of COVID-19 regularly to ensure the list is up to date.

Holly Spirit

We have had some Holly spirit sprinkled through our school with Crazy Hair Day and Jersey Day. It was wonderful to see our learners show their school pride.
