Dress Code

An increasing number of our students seem to be “stretching the limits” of the expected dress code. Please take a few moments to reflect on the importance of self-image and what message we send out via non-verbal communication and pride in appearance.

Below are some specific ‘rules’ to follow as a guideline in choosing your school outfit:

- ✓ Pajama’s are not appropriate
- ✓ Slippers, flip flops and runners with long loose laces are a safety concern (please refrain)
- ✓ Low cut blouses, spaghetti straps with bra’s showing
- ✓ The muffin-top syndrome (please keep midriff covered up)
- ✓ Boys/Girls in shorts during snow days
- ✓ Need for jackets/coats or warm sweaters for outside recess and lunch during the winter months
