Princess Margaret – Dry Grad 2022 Needs Your Support!

Hello Grade 12 Parents,

The Dry Grad committee would like to congratulate you on your child's graduation!

The Dry Grad is organized by volunteer parents' committee and is not funded by the school. So fundraising is the only source of funds for the grads to have an event like this.

The purpose of "Dry Grad" is to provide ALL Princess Margaret Grads an opportunity to celebrate together as a class in a supervised and completely safe environment, which is alcohol and drug free.

We, as parents of grads also, recognize that there are several fees and expenses with graduation. However, the kids have requested a dry grad event experience and so we need to raise considerable funds to pay for this fun filled safe event.

This event can only happen with your participation, in either supporting the fundraising events by volunteering your time or paying in cash.

- Fundraising dates – Bottle Drive Dates: please feel free to drop off bottles anytime as the money goes directly to our Dry Grad account
- Newton Bottle Depot 13245-72 Ave, unit #110
