Additional Info

RAPID TEST DISTRIBUTION

We still have a large number of families who have not picked up the rapid test kits for their child(ren). At your earliest convenience, please stop by the school office to pick these up. Each student is to receive one box of 5 tests.

We recognize this is challenging for working parents but know that ensuring a safe distribution of these tests is in the best interest of our students. If you are unable to pick up your child's tests and would like to make other arrangements, **please notify your child's teacher.**

Thank you for your cooperation and understanding with this.

BEFORE AND AFTER SCHOOL PARKING IN THE COMMUNITY

We have had a number of complaints from the community regarding parents parking in alleyways and in no parking zones around the school. We recognize that, like most schools in the district, parking is always a challenge. Our ask is that you avoid parking in alleyways and in no parking zones. In addition, when driving in these areas and cul de sacs, please be mindful of your speed and the blindspots around people's driveways.

HOT LUNCH REMINDER

READY SET LEARN

Do you have a child that is pre-school aged (age 3 or 4) who is not entering Kindergarten? It is the time of year for Ready Set Learn. This year, we will not be hosting an in person event but will be providing a book and series of activities for children to do at home. If this applies to one of your children, please complete the form linked below to receive the Ready Set Learn picture book, "The Bug Book." Please note, quantities are limited and only the first 30 responses will receive the book. The deadline to respond is Friday, April 8th, 2022.
