

Education Assistant Program

Are you looking for a rewarding career in the field of education? Education Assistants work collaboratively with teachers and other professionals to support students with diverse learning needs. EA's create inclusive learning experiences to support students who may have physical, health, social/emotional, sensory, and/or learning challenges to reach their full potential. A career as an EA gives you the opportunity to make a difference in the lives of students. Next session starts January 31, 2022.
