

Dear Parents,

Please see the following message from the Surrey School District.

On August 26<sup>th</sup>, the Surrey School District shared its [plans](#) to safely return to in-class instruction. These plans reflect the measures put forth by provincial health experts and the Ministry of Education and include the important steps our schools will take to safely welcome our students back in September.

We are confident in our plans, but we know that many of our families are nervous. **In response to parent feedback and concerns**, we will be offering an **Elementary Transition Program** that will be available to all families who are not yet ready to have their child return to full-time face-to-face instruction when school begins in September.

This program is a combination of online and face-to-face learning through your local school, with a gradual transition back to full time in-class instruction by January 2021.

For more information on this transition program, please review the following resources:

- [Elementary Transition Program fact sheet](#)
- [Superintendent video message for August 31](#)

All parents interested in registering for this program will need to complete this [form](#) by **4:00 p.m. September 8, 2020**.

Thank you and we hope you are having a great summer.

Regards,
