

Parents and caregivers are invited to:

YOUTH VAPING:

What families need to know

Youth vaping is on the rise. Let's talk about it.

Learn what vapes look like, what they contain, and signs to watch for.

Get practical tips for talking with kids and access supports for home and school.

Presentation by Safe Schools and Fraser Health.
Informative displays and resources.
Plus door prizes!

Wednesday, May 6, 2026
6:00 - 7:30 PM
Elgin Park Secondary, 13484 24th Ave
