Ms. Shannon Marshall, Secretary
Ms. Danielle Gionet, PAC President

At Ellendale, we are committed to creating a supportive environment that promotes successful learning, personal growth, student responsibility, and respect for others.

May 31, 2018

Principal's Message:

May sure was an exciting month at Ellendale! Our science workshops were well received by the students, they enjoyed the hands on learning. UBC also provided some of our students with some wonderful learning opportunities through a session of *Geering Up* workshops.

Track and Field was a great success. Our students learned and developed their skills from building stamina and endurance for running events to learning throwing techniques for shot put and discus. A sincere thank you to all our teachers who coached to provide our students with these opportunities.

Ellendale students represented our school at the District Track and Field meet with great success. They put their best efforts forth and never gave up. Our students represented us so amazingly that our school received the Glen Coleman Sportsmanship award. Way to go, Ellendale Eagles!

A special thank you to Ms. Florio and Ms. Couture for organizing and accompanying our students at the Track meet.

Another special thank you to Ms. Florio and our PAC for putting on a fabulous, well organized concession. Many thanks to the parents who worked behind that concession stand supporting our kids and school.

For a tiny school we sure do have an amazing force of people who make this an amazing place.

Sincerely,
Mrs. R. Bains

Ellendale Receives the Glen Coleman Sportsmanship Award

Thank you to Jaiden Parsons and Arjun Sandher for accepting this award on behalf of Ellendale!

School Fees Notice to Parents/Guardians for 2018-19

Each school year, parents support their child(ren)'s formal learning experiences in a wide variety of ways. We appreciate all that you do to ensure a successful year! We are extremely thankful for the generous support of our PAC to help keep field studies costs at a minimum.

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact the Ms. Bains should you require any financial assistance.

As we plan for the upcoming school year, we anticipate the following costs:

Student Planner: We encourage all students in Grades 1-7 to purchase a School Planner at a cost of \$5.00. Included in the planner is our school code of conduct, school calendar and school district information. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills. However, using our school planner is optional as a parent may purchase their own version.

Field Studies and Field Trips: Classes often enjoy educational visits to community facilities which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

Musical Instruments: Grade 4 students may learn to play the recorder. If the music program proceeds with the recorder, students will have the option of purchasing one through our music teacher for a small fee or receiving one on loan from the school. Also, our Grade 7 students who opt for band either purchase or rent an instrument. Costs vary depending on the instrument.

Pre-packaged School Supply Service: For students in grades 1-7, parents have the option of purchasing their child's school supplies on their own utilizing the grade supply list or for your convenience, you may wish to purchase supplies as a package through Creative Packs. Payment is made directly to **Creative Children**. Costs for supplies vary based on grade. If you are interested in purchasing schools supplies through Creative Packs, please return the completed school supplies form to the school by Wednesday, June 14th. Please ensure all **cheques are made payable to Creative Children**. Supplies ordered through Creative Children will be delivered to the school in September. Please note that specialized items may be requested by individual teachers when classes are organized in September. The school will be collecting \$35 for Kindergarten students to purchase supplies for the students to use in their class, again Kindergarten parents have the option as well of purchasing student supplies on their own.

Thank you.

Mrs. R. Bains
Principal
