Dear Parents/Guardians,

As some of you may already be aware, there was a significant presence of emergency personnel in our neighborhood this morning. Our school grounds were also used for a medical helicopter landing. This is due to an incident in the neighborhood and is not related to our school.

Out of an abundance of caution, our school was placed in a Hold & Secure due to this incident under the advisement of the RCMP. A Hold & Secure is used if there is a security concern in the neighborhood and involves everyone remaining inside the school as exterior doors are secured. Access to the school is restricted and no one may enter or exit the building.

School activities continued as normal inside the building. At no time was there any danger to students or staff and everyone's cooperation was appreciated.

Please feel free to contact me if you have any questions.

Sincerely,
