Dear Parent Advisory Council,

On behalf of Enver Creek's Scholarship Committee, I would like to thank you for your generous donation of two \$500 scholarships for graduating Enver Creek students who attended Green Timbers Elementary. The Scholarship Committee selected Isha Gill and Livleen Chauhan to receive a scholarship with this donation.

In order to be selected for a scholarship, students must have demonstrated outstanding academic achievement, have volunteered and/or shown leadership in the school and in the community while attending Enver Creek.

Students will receive notification of their awards at our Commencement Ceremony on June 23rd.

Again, thank you for your contribution.

Sincerely,

Ann van Dyk
Scholarship Coordinator
Enver Creek Secondary School
