

### **Latimer Road Elementary Community Facebook Page**

For those parents/caregivers who may not be aware we have a Facebook Page for our school. This is a place for current Latimer Road Elementary School students and families to share information about school events and activities and community events if applicable.

To find us, please look for **Latimer Road Elementary Community** in Facebook.

This is a closed group as we strive to ensure the privacy of our members, therefore please be prepared to answer questions upon request of membership.

Is your child(ren) attending Latimer Rd School this current school year?

Please provide details of your child's name, grade and teacher.

Are you school staff member?

Finally it is important that each member is familiar with the **Group Guidelines** which is stated at the top of the discussion page.

Thank you

Latimer Rd School PAC
