

JANUARY 29TH 2021

.....

Please join us at our next PAC meeting on February 2nd, 2021 @ 6:30 pm

**Meeting link:** <https://bit.ly/3lpUHYp> **Passcode:** 672347

We will continue our discussion on potential gaming grant spending. We need your input! We are looking at two different possibilities to spend gaming grant money on. [Here's a draft of last meeting's minutes](#) if you'd like a summary of the discussion so far. More details will be laid out at the next meeting, but the choices are:

**Option 1-** New sound system and projector for the gym.

This would be used for future assemblies, Christmas concerts, and other activities such as movie nights, etc. Approximate costs: \$12563.01 for the projector and screen and \$4473.00 for the electric circuit.

**Option 2-** Playground additions and/or upgrades

The teachers brought to our attention that another swing set would be loved by the children as competition is fierce for the swings. Just to purchase a set as the current one prices can vary from \$6000-\$8000. There would be additional costs for installation and ground coverage etc. The idea of making the playgrounds more accessible and inclusive has also been discussed.

For this option, we would need to have a committee set up to take on this project. There are grants we can apply for, further fundraising to do on top of all the planning and research to be completed.

Please join us to discuss and vote on these items. We hope to see you there!

.....

We're currently setting up another Purdy's fundraiser, another Neufeld Farms order, as well as a flower fundraiser. We also need your help to make our Online Spring Raffle a success. We'll be collecting new, unopened items to put up for raffle, some as single items and some will go into themed baskets. Some ideas for basket themes: craft beer, wine, pets, books, board/card games, rainy day basket, summer fun basket, chocolate lovers, puzzles, yoga/fitness. If you have any questions or ideas for this fundraiser please email us. We love ideas!
