

February 2026

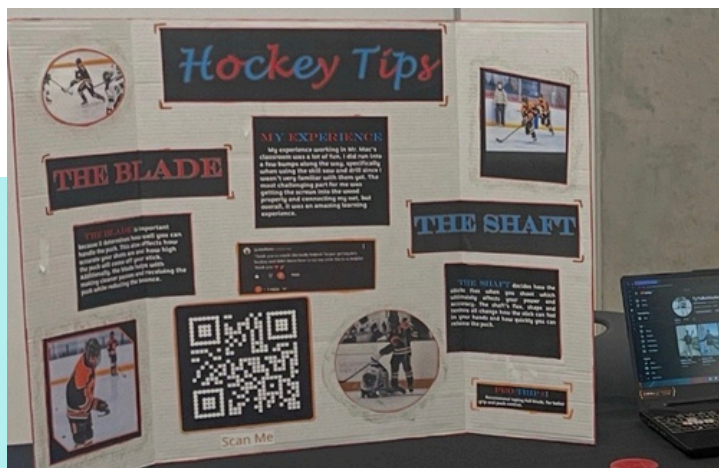

SULLIVAN HEIGHTS CAREER CENTRE

# NEWSLETTER

Capstone Project

December through to February has been a busy time for the career centre and Career Education Teachers. Grade 12CLC classes completed their Capstone Projects in December and had their formal Capstone interviews in January with school staff and district guests. CLE students had presentations from EducationPlannerBC, Alive after 5 from BC Federation of Labour and KPU Future Students office. Career program offerings were shared with students and parents in January and applications are on going.

# Capstone Project Examples CLC12

CLC 12 Capstone projects are culminating projects and presentations showcasing learning from Grades 8-12, often featuring research, product design, community service, or creative work. Students select a topic of interest that fits with their goals, experiences and strengths.

# UPCOMING CAREER EXPLORATION

- Canadian Army Reserve – Student Engagement Program (SEP) Applications due by Friday February 20. Pick up application in the career centre
- Grade 11 SFU Burnaby Campus Fieldtrip Feb 26<sup>th</sup> 9am-2pm Grade 11 students pick up permission form in the career centre
- District Program Application deadline before March 6<sup>th</sup> - online application through QR code - program site visits are happening and are mandatory - See pg 5 for details

# Partnership Programs

<https://www.surreyschools.ca/careereducation/partnership-programs>

The Surrey School District, in partnership with local post-secondary institutes and SkilledTradesBC, offers a wide variety of Partnership Programs for district high school students. These enable students to begin training in a specific occupation and to save money. The Surrey School District pays the tuition.

Students who participate in a Partnership Program receive:

- elective credits toward secondary school graduation,
- post-secondary credit,
- SkilledTradesBC technical trades apprenticeship training.
- possible connections to employment
- experience in a post-secondary environment

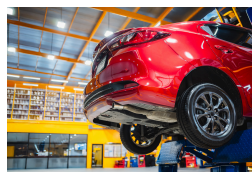

**GRADE 10 and 11 STUDENTS CAN APPLY NOW**

Apply online HERE to  
start the application  
process

**See next 3 pages  
for course and  
program details.**
