

## Who We Are – Film Course Application

In **Who We Are** you will be developing film projects that are designed to be personal and allow you to show the world who you are. You will have to be able to work individually as well as in groups. You will need to be able to meet deadlines and self-regulate your behavior without direct supervision on film days. You will be representing École Salish Secondary in the community and will need to be able to interact with others in a professional and appropriate manner. If this sounds like you – this is the place we want you to be!
