Dear Ray Shepherd Families,

We are very pleased to inform you that the students have been placed in their classes today. The Ray Shepherd staff place great importance on school organization and class placement. There are many factors that are important in the process of placing students in the most suitable classes. Some of the factors may include: teaching and learning styles, social and emotional needs, and student-to-student relationships. I can assure you this process is taken with much thought and discussion. Please note that the final decision for class placement rests with the school. It is very important that you support your child and teacher in these early days of transition to set-up for a successful year ahead.

The following are school-based teaching assignments for the year:
