

Sunnyside's "Kids Helping Kids" Toy and Food Drive

When: November 29 - December 15

Why: To support the Abbotsford Food Bank with their growing need for donations due to the flooding.

What: Each grade is encouraged to bring one type of food item that is currently in high demand.

- Kindergarten- Kraft macaroni and cheese
- Grade 1-Canned vegetables
- Grade 2-Canned fruit
- Grade 3-Canned soup
- Grade 4-Dried pasta and pasta sauce
- Grade 5-Canned protein (ie. baked beans, tin tuna)
- Grade 6-Granola bars
- Grade 7-Rice

Please consider purchasing a **new, unwrapped toy** to donate, in addition to a food item. These toys will be given to the Abbotsford Toys For Tots program to bring joy to the children of families that have been displaced by the flooding, as these families will not be returning home this Christmas. **Thank you for bringing hope and joy to these families this holiday season.**

Sincerely,

Sunnyside's Student Leadership Team
