## Principal's Message

Hello Dragon Families!

Happy New Year and we have made it to the half way point of the school year! Please ensure you have logged on to My Education BC and reviewed the report card with your child. If you have any questions or concerns, please reach out to the school. If you need help accessing MyEdBC, you can email: [fleetwoodpark@surreyschools.ca](mailto:fleetwoodpark@surreyschools.ca)

We have started course selection for next year 2025-26. All of the documents and instructions are on the school website:

<https://www.surreyschools.ca/fitsec>

under the "Resources" tab. Please review your child's course selection with them, using the course descriptions for 2025-26. Course selection is open until March, so you have time to look, ask questions, and think about the requests. We are often unable to make changes after that time, as we build all of our classes, staffing, and schedules around these requests—so it is of utmost importance to take the time now to ensure you child is choosing the right classes for them.

Planning for the addition of the school is well underway. We had meetings with the Architects and planners with all school departments on January 28th. We are excited to see the finalized drawings soon. We know this will be a 4-story addition with a two-story connection to the existing building from the south-west corner.

There are many exciting events that are coming up in the next few months! The Grad Council is planning a dance for 11/12s on February 19th. Our Student Council and Leadership students have organized several events—we just had a Lunar New Year Celebration on the 29th, and will be having the second annual "Shamrock Showdown" on March 13-14. Reachout and Operation Smile will be selling hand-made Ribbon Roses with KitKats and Candygrams as fundraisers during Valentines Day. March 7, The Earth Club will be holding their first ever Thrift Shop! This will be a fundraiser as well as a way to divert good clothing from the landfill. Our clubs and groups are active—please check our Fleetwood Instagram page: [@fleetwoodparksec](https://www.instagram.com/fleetwoodparksec)

We are so proud to have our Fleetwood Park Band heading to UBC Feb. 8 at 7:30pm to join the UBC Symphonic Wind Ensemble: Dreams at the Chan Shun Concert Hall. Hope to see you there! Our dancers have been in full competition season and have been putting on amazing performances! And Athletics have been as busy as ever with Basketball moving through Surrey finals and spring sports starting up. Special shout out to the Senior Boys for an exciting final game in the RCMP Tournament and coming out with a hard fought win! I was on my feet!

One last reminder to please drive with caution around the school—no U-turns in the roadway or dropping off mid-traffic. I would hate for us to have to learn that lesson the hard way—students do get injured near schools in traffic. Lets all work to keep things safe! If you drop-off in the loop, please pull forward. If you can drop students off a few blocks away that is so helpful to the traffic flow. Walking, riding a bike or scooter is also a great way to get to school!

As always, please reach out if you have any questions, concerns or ideas for the school! We are always looking for coaches if you have time! I am assistant coaching with a wonderful parent on the girls Rugby Team! It is so fun to engage with students in a different environment!

Take care,  
Jodie Perry  
Principal

Ministry of  
Education and  
Child Care

Dear Parents and Guardians/Caregivers,

The Student Learning Survey (SLS) has been administered every year in B.C. public schools since 2001. Prior to 2016-17 it was known as the Student Satisfaction Survey. The SLS provides feedback on the implementation of the curriculum changes, learning environment, student wellness and satisfaction, student belonging and engagement, and career preparation. The SLS is the only source of province-wide information about students' learning experiences through the perspectives of students, parents, guardians/caregivers, and school staff. Schools and districts use the SLS to make informed decisions around long-term planning and goal-setting, and in providing individual students personalized support.

The parent and guardian/caregiver survey is now available online and is available in 18 different languages. The survey will be available until Friday, May 2nd, and will take approximately 30 minutes to complete. Your responses are voluntary and anonymous, and your child will not be identified as a result of your participation in the survey. Any personal or identifying information will be deleted before results are stored. Data will be stored and accessible only within Canada.

**To complete the survey:**

1. Go to any computer that has an up-to-date internet browser access at home, work, or school.
2. Go to [www.bced.gov.bc.ca/sat\\_survey/access.htm](http://www.bced.gov.bc.ca/sat_survey/access.htm)
3. Click on the Parents icon for Direct (logon-free) Access
  - District: the name of your child's district
  - School: the name of your child's school
  - Language: the language of your choice
4. Complete the survey by clicking on the appropriate circle to answer each question and click "NEXT".
5. When you are finished the survey, you will get a message "Thank you for sharing your views".
6. Once complete, your school will have the results immediately.

Please contact the web survey provider (AWIS) if you have technical difficulties; call toll free: 1-866-558- 5339 or email [support@awinfosys.com](mailto:support@awinfosys.com). If you have questions about the survey, you can email [EDUC.ReportingUnit@gov.bc.ca](mailto:EDUC.ReportingUnit@gov.bc.ca)

We greatly appreciate your input and thank-you in advance for your participation.

Sincerely,

A handwritten signature in cursive script that reads "Emilie Sia".

Emilie Sia

The **Provincial Student Learning Survey** is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/ caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2025** the Student Learning Survey will be administered to students in **grade 10**, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the internet at:  
<https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>.

Any computer or mobile device with an Internet Connection can be used, and access to the e-survey is simple and secure.

The survey can be accessed through the link and by Clicking on ‘**Take the Survey**’.

On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until **May 2, 2025**.

If you have any questions, please contact the school at: [fleetwoodpark@surreyschools.ca](mailto:fleetwoodpark@surreyschools.ca)

## Robotics Team!!

Fleetwood Park had three teams travel to Fraser Heights Secondary School on December 10th to compete in the Surrey Robotics League.

This was our school's first time competing in the league and we were excited that one of our teams - Devesh Gupta and Asmita Malhotra, (both shown below) made it to the quarter finals!

## This fall, Our Grade 8 Students

participated in a successful, virtual presentation by *The White Hatter* focusing on:

***Digital Literacy & Internet Safety  
(Cyberbullying and Intimate Images).***

The presentation was well received by our students and the resources provided have been actively utilized.

On February 14, we plan to welcome *Carlee McPhee* for our second virtual grade 8 presentation.

The focus here will be to provide accessible, inclusive, and trauma informed **health education** to empower our students to care for their own wellness and relationships. This program is rooted in evidence-based research, sound educational theory, personal and community safety, and celebrates diversity and inclusion of all.

# WHAT'S NEW IN HOME ECONOMICS:

Our Child Care and Development course focuses on the crucial developmental milestones that children experience from birth through six years of age. The curriculum is rich in insights and strategies to foster children's growth and development, ensuring a nurturing and responsive environment for every child. This semester our students used the design process to create toy prototypes, service design plans for grade 1 literacy activities and wrote policy for improving maternal health in vulnerable populations. Congratulations on a successful semester!

## CHILD CARE AND DEVELOPMENT CLASS

## EVENTS

Our students explored diverse children's literature, understanding the importance of representation and inclusivity in early education all at the Public Library!

Students experienced hands-on learning about infant care and the responsibilities involved in caring for a baby.

## Coyote Creek Visit

This visit allowed our students to observe and engage with different teaching methods and classroom environments. Our students prepared a literacy program, helping young learners develop their reading and writing skills.

## FOOD STUDIES 10

In December, we went on a tour of the Cloverdale Community Kitchen. Students in the Food Studies 10 class made birthday cards and repackaged pasta for the food bank.

## HOME EC CLUB: CELEBRATING THE HOLIDAYS

*"Fleetwood Park Secondary School embraces sport as an integral part of its educational mission.*

*We provide an environment for student-athletes to achieve academic and athletic excellence."*

## It has been an amazing year so far for our Fleetwood Athletics Program!!

From our new (not so baby) Dragons participating in various Grade 8 Sports to our Junior and Senior Teams thriving as well. We have officially completed the fall season in November (Volleyball, Soccer, Cross Country & Swimming), in which Fleetwood qualified for provincials in Aquatics and Cross Country!

### Congratulations to two of our athletes

who participated in Aquatics Provincials at Watermania in Richmond BC: Emma Qu and Jeffrey Chen! Jeffrey placed: 2<sup>nd</sup> in 100m Backstroke, 4<sup>th</sup> in 100m Butterfly, 4<sup>th</sup> in 200m IM and 5<sup>th</sup> in 100m freestyle. Great job to both athletes!

We also had our Junior Boys & Senior Boys cross country teams qualify for BC's at Jericho Beach as well!

#### Grade 8 & Junior Runners included:

Alex Gooding (69<sup>th</sup>) / Clarke Zanatta (95<sup>th</sup>)  
Ben Zhang (134<sup>th</sup>) Alex Gong (144<sup>th</sup>)  
Sam Johnson (152<sup>nd</sup>) / Keegan Roth (155<sup>th</sup>).

#### Senior Runners included:

Abhiraj Nagra (26<sup>th</sup>) / Jason Sandhu (34<sup>th</sup>)  
Tyler Roth (43<sup>rd</sup>), Toby Roth (54<sup>th</sup>) / Nathan Sidhu (63<sup>rd</sup>)  
Jovanraj Sidhu (98<sup>th</sup>) and Gurshaan Kurry (116<sup>th</sup>).

Many great successes from both teams representing Fleetwood.

We are well on our way for Winter Sports at Fleetwood Park Secondary. We currently have 7 basketball teams, an ice hockey team and wrestling team. Basketball league games are slowly finishing up as teams head into Playoffs and hockey will resume into the second semester as well.

***Tournament successes include:***

## The Surrey School District is Committed to Truth & Reconciliation

Surrey Schools fulfills its vision for learning on the traditional, ancestral, and unceded territory of the Katzie, Kwantlen, Semiahmoo and other Coast Salish Peoples. Our role as a school district on unceded territory means that in all of our actions, we must foreground our commitment to reconciliation with Indigenous peoples. True reconciliation and respect for Indigenous peoples means going beyond equity and inclusion and instead acknowledging the history and legacies of colonialism and taking stock of the ways individual and collective actions in our schools work to continue those trends or reverse them. Canada's actions in establishing, continuing, and defending the residential school system caused serious harm to Indigenous people. As British Columbia commits to fully implementing the United Nations Declaration on the Rights of Indigenous Peoples, our district reaffirms its commitments to both truth reconciliation as a means to address any systemic discrimination or inequities.

In Surrey, these commitments mean consistently acknowledging the land we are on, and paying the due respect to those Indigenous peoples who are its original inhabitants. By acknowledging whose land we are on, we not only give proper recognition to Indigenous peoples, but we enter into a framework for dialogue and growth in the relationship between Indigenous peoples and settlers, which emphasizes Indigenous peoples' rights to self-determination. The right to self-determination means that Indigenous students have a

right to see their histories taught accurately to all students. It means that Indigenous students have a right to have their experiences and practices reflected in the school curriculum. It means that they have a right to social, cultural, and emotional support systems. It means that schools must equip all students with the tools for "intercultural understanding, empathy and respect," and all teachers with the training they need to accomplish that goal. Now and in the future, the district affirms our commitment to truth and reconciliation across our vision for learning.

## Our Mission Statement:

*“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”*
