Principal's Message

Hello Dragon Families!

What a year this has been—welcome to June!

Grad season is in full swing with Prom last week and Commencement next week. Thank you to our staff who helped plan and attended Prom. It went so smoothly and everyone was on their best behaviour (and they looked so wonderful!!). Special thanks to our Dry Grad Parent Committee—they literally stayed up ALL NIGHT to make sure our grads could celebrate together, have fun, and most importantly—be safe. “Dry Grad” events emerged as a response to concerns about alcohol-related incidents during graduation celebrations, particularly after fatal accidents. It's a safe, alcohol-free, and supervised event for graduating students, organized by parents and community volunteers. The first Dry Grad events were held in the 90's and have continued ever since! So a heartfelt thank you to everyone for making this a special and safe night for all.

In the theme of safety, I would like to ask for some help from all parents of Fleetwood. This year, student driving behaviour has become a major issue in the community. As you know, we do not have student parking on-site. This will continue for years to come, so no matter the grade of your child, I would appreciate your support. Our senior students are speeding, overloading their cars (should only have one passenger if they have a Novice “N” license), and playing games while driving (like water fights jumping in and out of cars while driving. We have even heard report of students on the hood of a car while it is driving. When this behaviour occurs on our property, it is much easier to manage—we can withdraw parking privileges, look at our camera footage for identification, etc.. However, with the students in the community it is creating an increased challenge. We are working with both the RCMP and Surrey Police to address vehicles with licence plates that are reported. If you receive a call from a Vice Principal or myself (or a warning from police), please support us by taking away the driving privileges to school. We know it is inconvenient, but the safety of the students needs to be the priority. We have included some information that police asked us to share with you around the rules for Novice drivers on page 7.

Thank you for your attention to this urgent matter.

June is an exciting month upcoming, with so many events, performances and activities planned! June is Pride Month and we are excited to host our annual Pride Parade and ensure that all students of Fleetwood Park feel respected, included, and understood. We are also bringing attention and fundraising for Cancer research the week of June 2-6 with the annual Zumbathon for Cancer the night of the 6th (see page 18). We also have a talent show, two ban performances, the Athletics Banquet, the year-end dance show, and so much more! The staff and students give their all to make all of these events happen—and that is a big part of why Fleetwood is such a special community. We build lifetime memories through the participation in such a wide range of opportunities.

The yearbook is completed and delivered! Thank you to Mr. Shantz and his class for their hard work! Information around distribution will be coming soon!

Please read through the pages of this newsletter to get information on ongoing events from the last months, as well as information about next year. The 2025 bell schedule, calendar, and fee schedules are included.

I genuinely hope that I am demonstrating through my actions how much I care about this school. The students are such kind and wonderful people (you have done a great job, parents), the staff are engaged and dynamic, and the community reaches out and cares when things are going on. We are teaching the next generation that will be taking on the world, and I am so confident they will soar. To the Grads of 2025, I cannot wait to recognize your hard work and accomplishments (and shake each and every hand) on June 3.

Take care, Dragon community! ~Ms. Perry

NO LITTERING

As responsible members of the school community, we can all make a difference by teaching our children the value of keeping our spaces clean. We kindly ask for your assistance in reinforcing the following guidelines:

- **Dispose of trash in designated bins** – Please ensure that your child is aware of where the trash and recycling bins are located.
- **Use reusable containers** – Whenever possible, encourage the use of reusable bottles and lunch containers to reduce waste.
- **Report any littering incidents** – If you or your child notices littering on school grounds, please inform a staff member so that appropriate actions can be taken.

Cultus Lake Waterslide Trip

May 5, 2025

Dear Parents/Guardians,

Fleetwood Park's grade 8s will be going on their annual class-wide field trip to: Cultus Lake Waterpark on Thursday June 12, 2025. All grade 8 students should arrive in the gym to load buses no later than 7:45am and will return around approximately 2:45pm.

The focus of the day will be equity, inclusion, and social responsibility. It is an expectation that **all grade 8 students will attend this event**; grade 8 classes will not be in session otherwise, and alternate arrangements will be made for students who chose not to attend this day. Students will be given the opportunity to participate in supervised water activities or participate in a variety of dryland activities. Separate, private changing facilities will be available.

Students should bring a backpack with a change of clothing, towel, hat, and sunscreen. While food service may be available for students to purchase, it is recommended that all students bring a bagged-lunch and water. The school is not responsible for lost or stolen items, so it is advised that students leave ALL devices at home. School code of conduct applies.

The cost of the trip is \$50 - this covers transportation and activity fees. Please pay via School Cash Online and return a signed copy of this form to your child's Humanities teacher by Friday May 16.

Those who must pay by cash or cheque are asked to pay at the office. If paying by cheque, please include your child's name and student number in the memo section and make the cheque payable to Fleetwood Park Secondary.

Please do not hesitate to email Nicki Smeltzer if you have any questions: smeltzer_n@surreyschools.ca

Sincerely,

Fleetwood Park Grade 8 Teachers

"Fleetwood Park Secondary School embraces sport as an integral part of its educational mission.

We provide an environment for student-athletes to achieve academic and athletic excellence."

WINTER WRAP-UP:

1. Provincials: Jr Boys Basketball placed 14th at Langley Events Centre February 22-25, 2025
2. Provincials: Gr 8 Boys Basketball placed 11th at G.W Graham February 27-Mar 1, 2025.
3. Ice Hockey: Qualified for Semi-Finals for Tier 2, 2025

Thank you so much to our 18 coaches this past winter including many staff, community, alumni and Grade 12 student-athlete coaches.

SPRING SPORTS:

Badminton:

Many successes in Badminton this season! Congratulations to Brian Liu & Riley Ty: 1st place in Junior Mixed, Brayden Ma & Shirmi Chen: 1st place, Grade 8 Mixed, Brayden Ma & Alex Gong: 1st & 3rd place: Boys Singles, Jeffrey Lin & Brian Park: 2nd place: Doubles, and Jessica Luo & Riley Ty: 3rd place: Doubles. Grade 8's will be participating in playoffs at the end of May. Good luck to all athletes!

Cricket:

The Fleetwood Park Cricket team is having a phenomenal season—undefeated with a 4-0 record and tied for first place in a competitive league of nine teams! Every player has hit a personal season high, whether it's with the bat, ball, or in the field, and the squad is gaining momentum as they push toward the playoffs. With team chemistry at an all-time high, the Dragons are making a serious run at their first-ever league championship banner.

Flag Football:

The boys team currently has a 4 and 2 record and are tied for 2nd place with a tough battle against Sullivan Heights this season. Many successes through the season from our vet athletes to some brand-new flag football students! Good luck to the team in their playoffs June 3rd!

Golf:

This year we had 5 athletes on our golf team: Shaun Sandhu, Caden Leschyson, Ranbeer Cheema, Ben Day and Drew Williamson. The Senior Team placed 9th/12th overall in the Surrey Championships. We look forward to seeing many of these athletes next year!

Boys and Girls Ball Hockey:

Both boys and girls ball hockey are having a great season so far this Spring! Our girls team consists of blended Fleetwood students with other Surrey Schools student-athletes including Kwantlen, Sullivan, Panorama and Khalsa. Our boys' team is going into the 2nd half of their season with only one loss.

Kabaddi:

The Kabaddi Team battled all season against some very challenging teams. They placed 5th overall in South Fraser's! Congratulations boys! Thank you to our alumni coaches for stepping up this season to ensure we had a team run!

Girls Rugby:

Girls Rugby has had a fantastic season so far! Coach Adryon and Coach Jodie have helped grow the sport and build both skills and confidence in practices and games. They are currently in the top two in 7's in the district and likely a spot into the provincials this year!

Boys Rugby:

The Grade 8 Boys Developmental Team have been a great learning year for many new athletes learning the game of rugby. With several practices and games to improve their skills, the boys have had many successes throughout their season. The Junior Boys Rugby Team have also had many successes this year. With the win against Delta in the South Fraser Semi-Finals May 14, they are off to the finals May 21st against LA Matheson!

Jr Girls Soccer

The Jr Girls Soccer team placed 3rd in Surrey's with a very intense PK shootout to secure the win. The girls battled hard against undefeated Grandview however fell just short in the 2nd round of South

Track and Field:

62 athletes participated this year in the 2025 Track and Field Championships. Fleetwood placed 5th out of 27 schools participating.

Many successes from all athletes including 40 athletes off to South Frasers May 20-21, 2025 at South Surrey. Congratulations to our podium placements including a 1st place from: Angelica Thiessen [Jr Girl Hammer Throw & Javelin], Abhiraj Nagra [Sr Boy 3000m] and 2nd place from: Ruben Nesdoly [Sr Discus & Shotput], Kaitlin Zanatta [Jr Javelin], Jason Sandhu [Sr Boy 3000m], Alex Gooding [Jr 3000m & 1500m], Rivin Jayasinghe [Jr High Jump], Aaryaa Bhardwaj [Jr Racewalk] & Taylor Engbrecht [Sr 400m Hurdles] and 3rd place from: Angelica Thiessen [Jr Discus], Woesta-Joy Mireku [Sr Long Jump], and Japreet Dhaliwal [Sr Racewalk]. We also had our Junior Boys relay team podium in both the 4x100m and 4x400m. Good luck to all athletes in South Frasers May 20 & 21, 2025!

Jr & Sr Ultimate:

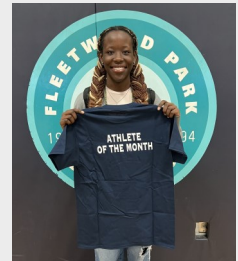

The Sr Ultimate Team placed 12th in South Frasers in early May as the 15th seed going into the tournament. The Seniors also participated in the Annual Dolphin Dive Tournament in Nanaimo BC placing 4th overall. Congratulations to Alexis Cao who received Female All-Star Award! The Junior Ultimate Team placed 7th in South Frasers this year and have continued displaying many successes in league games and tournaments. Great job to both teams & good luck in Provincials!

THANK YOU

to all coaches both staff, alumni, current student coaches and community coaches for volunteering your time and providing an amazing opportunity for our student-athletes to participate in school sport at Fleetwood.

Thank you to all families and fans for your support and we look forward to seeing you out at future games and tournaments!

Game schedules are posted on our:

Athletics Instagram @fleetwoodparkathletics and on our athletics website at www.fleetwoodparkathletics.com.

Be sure to keep an eye out for upcoming Spring Sports and various tryout dates which will take place later in semester two!

Home Economics:

GARDEN TALES

Spring has brought a flurry of activity to our school grounds and classrooms! We're excited to share some of the wonderful projects our students have been working on:

Garden Club & Food and Fashion

Our Garden Club and Food and Fashion students have been getting their hands dirty—literally!

With great enthusiasm, they've been:

- Digging and preparing garden beds
- Planting seedlings and amending the soil
- Launching our exciting "Spuds in the Tub" project.

Thanks to the generous support of our PAC, we're growing spinach, cilantro, potatoes, onions, and mint—all of which will be featured in our upcoming South Asian Street Food culinary unit. We're so grateful for this continued support that helps bring learning to life!

Ms. Szeto's senior Food Studies students have been hard at work using the design process to craft their very own craquelin cream puffs—a delicious and artistic challenge that showcased their creativity and culinary skills. Meanwhile, Ms. Mullen's Food and Fashion students combined baking and design by creating custom cookies and upcycled gift boxes for Mother's Day. These thoughtful, handmade gifts were a beautiful way to celebrate the important women in our lives.

The FPSS Final Music Concert of the year for the provincial award-winning Jazz Bands "*Henrick's Treble Makers*" and "*La Familia Jazz*", various Music Combo Clubs along with the grade 8 Band "*El Clasico*" will be **FREE** at **4:30pm** in the **FPSS Plaza June the 9th!**

All are welcome to witness their final presentation together for 2025 under the baton of Director De La Vega.

Appendix: Legislation and School Fees

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource material necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey secondary schools, the following structure applies through Board [Policy 9802](#) related to fees and any costs for students or families. Any school fees will be communicated to parents and students of each school's community on an annual basis.

Basic School Supplies

Students will need to provide their own basic supplies and equipment for their own personal use at school. This includes supplies such as paper, writing tools, calculators, notebooks, gym strip, sewing kits, and some other items needed for various electives.

Inability to Pay Fees

The district's hardship policy is an important part of our fees. No student will be denied the ability to participate in any part of the school's educational programs as a result of an inability to pay. Every school must develop a process whereby fees may be waived because of financial hardship. The process must incorporate the principles of fairness, confidentiality, and sensitivity, while maintaining family respect and dignity. All letters to parents requesting payment of a fee will include a statement that explains the school district's fee waiver policy and the protection of privacy.

Student Activity Fee

This fee is charged to all students and is in the range of \$20-25 per student. Each school will communicate to parents and students the breakdown of where the funds from activity fees are directed. Typical activities supported by these fees are:

- Student Agenda
- Student Council Events, Leadership Events
- School-wide events and assemblies
- Athletics
- Locks

Athletics

Participation in athletics and organized sports is an important part of a school's culture. Each secondary school is unique in the sports offered and the levels at which they participate. Students can expect a cost for participation which is dependent on the level of the sport, the number of games or tournaments played, the travel involved as well as other factors including fees for referees which are paid by the school. A significant portion of the costs associated with athletics go to the provincial bodies that organize these events. Every attempt is made to keep costs to a minimum and it is normal practice to have parents pay in a lump sum at the beginning of any one sport season so parents understand the true costs involved for full participation. No school shall generate an ongoing surplus as the result of collection of fees for athletic programs and organized extracurricular sports.

Certification

Some programs include a component that offers an external certificate recognizing unique qualifications. Examples are St. John's First Aid, Food Safe, Superhost, and Worldhost. These certificates help prepare students for employment and schools charge a fee to recover the cost of certification. The cost to the student will match the cost to the school for the certificate.

Examinations

Some programs offer external examinations where students can obtain credit for post-secondary institutions as a result of successfully completing the exam. International Baccalaureate and Advanced Placement are examples. Where students take these exams, a fee is charged to recover the cost of the examination and the fee shall be less than or equal to the actual cost of the exam.

Field trips

Students may be charged fees for expenses such as transportation, accommodation, meals, entrance fees and equipment rentals for optional field trips, or other extracurricular outings or events. Students will not be charged fees for any field studies/field trips where attendance is mandatory as part of a course or program.

Graduation Ceremonies

The graduation ceremony is an important tradition that represents the end of a student's school experience. Costs do apply as these extracurricular events are hosted in a variety of venues across the district and different traditions and formats require different levels of student costs. No student will be denied the ability to participate in a graduation ceremony due to an inability to pay the cost. Every effort is made to keep costs to a minimum and no school will compile an ongoing surplus as a result of monies collected to host a graduation ceremony.

Materials consumed in a course

In courses that consume materials (e.g. art, cooking, woodworking, metalwork, science) schools can only charge for materials or goods that are surplus to what would be necessary for the student to meet the expected outcomes in a course. If a student is going beyond the basic requirements of a course and creating projects for personal use (e.g. creating a table of mahogany rather than plywood), then the student may bring their own materials from home or the cost for the materials for these enhanced projects may be recovered through a fee.

Musical Instruments

A board may charge a fee for the rental of a musical instrument for the student's personal use or the student may provide their own instrument when he/she is part of a fine arts class or a course with a musical component.

Specialty Academies

Some schools have “specialty academies” which is an educational program that emphasizes a particular sport, activity or subject area. All academies require consultation with the Parent Advisory Council of a school and approval of the Board of Education. As part of the Board approval, a specific fee may be charged to support the academy and that fee must be directly related to the activities that are above and beyond a standard educational program. See page 5 for approved fees.

Students in Apprenticeship Programs

Where students participate in a trades program that results in certification or is part of an Industry Training Authority apprenticeship, fees may be charged for the rental of tools, equipment and materials necessary for participation in the program or the Board may require the student to purchase his or her own tools, equipment and materials required for the program.

Textbook or Calculator Deposits

In accordance with the School Act, the Board may require deposits for educational resource materials, such as textbooks, novels and other resource materials. The Board will refund all of the deposit to the student upon return of the educational resource materials in good condition. Students will be advised of terms of the deposit at the time the deposit is required. Waiver procedures must be in place for all deposits.

Uniforms

Students sometimes need special clothing (uniforms for band or for cafeteria) to participate in an educational program. These clothes are not a requirement to participate in a program but are logical savings for parents where clothes could be soiled or damaged in shops or the cafeteria. If the clothes (e.g. band or choir uniforms) are owned by the school, a fully refundable deposit may be required to ensure the return in good condition.

Workbooks

Workbooks are optional enhancements to educational programs. These workbooks are designed for a student’s personal use as they will write in the books during the course of instruction. Where a workbook is regularly used as part of a course and a student does not wish to purchase their own workbook, one will be provided and students will not be permitted to write in the workbook.

Where there is an optional fee for a workbook, that fee will match as close as reasonably possible to the exact cost of the workbook to the school. No school will accumulate an ongoing surplus as a result of workbook fees.

Yearbooks

Yearbooks are common in schools and are optional. The cost for a yearbook for a school shall be directly related to the development and publishing costs of the yearbook and no school shall generate an ongoing surplus as the result of the fees charged to students who wish to buy a yearbook.

The Surrey School District is Committed to Truth & Reconciliation

Surrey Schools fulfills its vision for learning on the traditional, ancestral, and unceded territory of the Katzie, Kwantlen, Semiahmoo and other Coast Salish Peoples. Our role as a school district on unceded territory means that in all of our actions, we must foreground our commitment to reconciliation with Indigenous peoples. True reconciliation and respect for Indigenous peoples means going beyond equity and inclusion and instead acknowledging the history and legacies of colonialism and taking stock of the ways individual and collective actions in our schools work to continue those trends or reverse them. Canada's actions in establishing, continuing, and defending the residential school system caused serious harm to Indigenous people. As British Columbia commits to fully implementing the United Nations Declaration on the Rights of Indigenous Peoples, our district reaffirms its commitments to both truth reconciliation as a means to address any systemic discrimination or inequities.

In Surrey, these commitments mean consistently acknowledging the land we are on, and paying the due respect to those Indigenous peoples who are its original inhabitants. By acknowledging whose land we are on, we not only give proper recognition to Indigenous peoples, but we enter into a framework for dialogue and growth in the relationship between Indigenous peoples and settlers, which emphasizes Indigenous peoples' rights to self-determination. The right to self-determination means that Indigenous students have a

right to see their histories taught accurately to all students. It means that Indigenous students have a right to have their experiences and practices reflected in the school curriculum. It means that they have a right to social, cultural, and emotional support systems. It means that schools must equip all students with the tools for "intercultural understanding, empathy and respect," and all teachers with the training they need to accomplish that goal. Now and in the future, the district affirms our commitment to truth and reconciliation across our vision for learning.

Our Mission Statement:

“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”
