## A Message From The Principal and Vice Principal

June 2021

Dear students, parents and guardians,

This has been an unforgettable year for everyone in the world. This past time period from March 2020 until now, marks a unique time in our history. The global pandemic that changed the way we live has swept around the world, but you did not let it stop you. You showed up each day for learning and kept moving forward adapting to the changes required.

We all had to learn how to collaborate and communicate while keeping a distance and wearing a mask. Many of you organized a home work space and participated in blended learning with online classes and some learning time with your teacher face to face. You did what needed to be done to be safe and succeed. Well done! All of you have learned to manage in a new world.

It has been a privilege to watch you succeed as learners, adapting to new ways of doing things, acquiring knowledge and skills in all areas while being, calm, kind and safe. Our staff are grateful for all of your positive support, encouragement and understanding during this time.

At this time, we do not know what return to classes will look like in September, as schools will get their direction from the Provincial Health Officer Dr. Henry, the Ministry of Education and our School District. There will be information regarding return to school on the Surrey Schools website and our school website.

Have a wonderful Summer with your family and friends enjoying this beautiful place in the world we call home.

Be safe, be calm and be kind.

We look forward to seeing you all in September.

Sincerely

Mrs. Bertholm and Mrs. Deol

\*\* A reminder that the last day of instruction and is also an early dismissal day (1:30 pm) for this school year is Thursday, June 24, 2021.

Mr. Clark, Mr. Hache, Mr. Thornton, Mr. Chiang, Mme. Rossi and the rest of the Frost Road family.

*All the best to our Grade 7's and parents!*

## Library News

Thank you to the families who supported our recent Virtual Book Fair. 99 books were purchased which resulted in our school earning \$185.12 in Scholastic Book Fair Rewards. The rewards will be used to purchase books and items for our Library Learning Commons program.

Please ensure that your child has returned his/her library books and paid any outstanding fines for lost or damaged books. Thank you.

Children who register will receive a reading log, stickers, a bookmark, a fun temporary tattoo and a draw prize entry. Every child who reads for 49 days and fills up their reading log will receive a medal and another entry form for a grand prize. Children can also take part in a variety of free virtual programs (coding, story time, LEGO club, art programs and more!) For more information and to register, visit

## Kindergarten and New Student Registration

If you are planning to attend Frost Road Elementary in September 2021, or know of someone that is, and have not yet registered, please do so as soon as possible, as we need to know the number of students coming to us in the fall.

At this time you can register your child to start Kindergarten in September, if your child's birth year is 2016.

Also due to social distancing, in-person registration at Surrey schools is not possible at this time. Registrations can be completed online.
