BC SCHOOL FRUIT AND VEGETABLE PROGRAM

This year our school will participate in the BC School Fruit and Vegetable Program offered through Feeding Futures with products being provided by Odd Bunch. Our school is involved in a province-wide healthy living initiative. One of the goals is to encourage healthy eating by providing fresh BC fruits and vegetables to the students *during classroom time*. The students will receive produce this school year at **no charge!** The students may choose to try the produce offered to them.

To ensure every student's health and safety during this program, please email latimerroad@surreyschools.ca with your child's full name, grade & division to advise if your child has any allergies or DOES NOT want to participate in this program. There will not be a permission form sent home.

Should you have any questions or concerns, please email latimerroad@surreyschools.ca

Thank you,

Latimer Road Elementary
