June 2025 Newsletter

Principal's Message,

June has arrived and I cannot believe the end of the school year is just around the corner. I am so proud of what our students and staff have accomplished this year as Grizzlies. I truly appreciate the commitment, dedication, care and vision of our staff in creating such a positive and inclusive learning environment for all our students to thrive in.

I look forward to next school year where we will welcome over 410 new grade eight students and more new teachers. We look forward to having them join our Grizzly family. A special congratulations to our graduates of 2025, we have had our commencement ceremony and now look forward to our dinner dance event June 26th.

As many parents and students are aware, Grandview Heights is on an extended day schedule to accommodate our rapid growth in the Community. We will have the same bell schedule for next year and I have included it in this newsletter. Please contact the school grandview@surreyschools.ca if you have any questions.

The following 2025-26 grade 8-12 schedules are as follows:

Grade 8 & 9	8:00am – 2:10 pm	Blocks A-D
Grade 10	9:25am – 3:35 pm	Blocks B-E
Grade 11 & 12	8:00am – 3:35 pm	Blocks A-E

** Gr. 11 & 12s will have a flex block during the day with no class*

This newsletter has a lot of important information and some highlights to review include:

- ♦ **Information on School Fees and Bell Schedules for the 2025-2026 School Year.**
- ♦ **Information on School Busing for the 2025/26 School Year**
- ♦ **Reports from our Careers department with the list of scholarships awarded.**
- ♦ **Adventures from our Humanities Co-Op & Hockey Program.**
- ♦ **The Art of Grandview from Performance to the Visual.**

At the end of August, we will be sending out our summer newsletter with information regarding school start up, locker sign up, and student schedules. Please be sure to watch for this information. On behalf of all the Grandview Heights staff, I wish all of our students and families a safe and healthy summer break.

SCHOOL BUSING INFORMATION

The following communication is relayed from [District Student Bus Services](#):

STUDENTS MUST RE-APPLY FOR BUSING PRIOR TO EACH NEW SCHOOL YEAR.

All students: Students who apply after the June 30 deadline are not guaranteed a seat on the bus. Eligible families can still apply for busing for any seats that may be remaining, however, applications submitted after the June 30 deadline will not be processed until the **beginning September 15 and may take up to 10 school days**. There will not be any seats available for late Courtesy (fee paying) students. **We advise filling out the [online registration form](#) as it is the quickest way to get your student on the registration list.**

Families are responsible for transporting their student to and from school, and will need to make alternate transportation arrangements for their student until such time as a seat may be awarded.

Eligible students:

Bus service starts the second day of school and goes according to the pickup and drop off times indicated on the bus schedule. **LATE** Eligible student applications will be advised within ten (10) school days **after processing** if their student has been awarded a seat (processing begins September 15).

Courtesy students:

There may be a very limited number of seats available for purchase. Your student may have received a seat in previous years, but may not receive a seat for the current school year. Courtesy students are not guaranteed a seat on the bus since the number of eligible applications vary from year to year. Please ensure you have another source of transportation set up for your students in the event they are not awarded a seat. Only if buses are not at full capacity will there be extra seats available and offered to paying courtesy riders.

If there are seats remaining for Courtesy students that have applied by the June 30 deadline, Transportation will advise the school beginning October 1. (Actual date of registration submission has no bearing on Courtesy seat assignment as long as it meets the deadline. Courtesy students are seated using a complex set of criteria beginning with farthest distance from the school (in-catchment). If seats still remain the criteria broadens.)

The school will then contact the parent / guardian if a seat is available for your student - in which case the school will then collect payment before the student is awarded the seat. Courtesy families will be invoiced a prorated yearly fee of \$30 per full/partial month for the first student (\$15 for siblings) for the remainder of the 2025-26 school year. Once payment has been made a schedule and bus pass will then be provided. Alternatively, families will be contacted by Transportation **directly** beginning October 1st if there are no seats remaining for your student.

All students must have an authorized and stamped schedule for the 2025-26 school year in order to board the bus, until the printed pass card is received. Students without an authorized schedule will be refused to ride. Students will not be permitted to ride another bus route or board at times other than indicated on their schedule.

For more information on busing please visit the [Student Bus Services](#) webpage.

RELAY FOR LIFE

Congratulations go to **Aiden Rothmund** and **Mannat Mann** who implemented Grandview Heights' first ever Relay for Life! Relay For Life is a community fundraising event led by the Canadian Cancer Society where teams walk or run in support of those affected by cancer. It honours cancer survivors, remembers those we've lost, and raises money for life-saving cancer research and support services.

Grandview Heights students well exceeded expectation by raising a grand total of **\$14 125 !!!** Aiden and Mannat would like to thank their sponsor teacher, Ms. Sierra Rai and the entire team of students who helped make this event possible.

Grandview's Relay for Life students not only raised money but also brought the community together with a variety of fun activities from a giant waterslide, balloons, food, arts and craft and a moving Survivor walk to honour those who have faced cancer. It was a day full of fun, remembrance and hope.

Thanks and congratulations go to Grandview Heights' extraordinary Relay for Life Team!

GRANDVIEW COUNSELLING

Looking ahead to September, student schedules for the 2024/25 school year will be shared with families in August 2024. The August newsletter will have all relevant back to school information and the process for making any necessary course changes. Counsellors will not have this information available in June. Just like that we are headed into the end of the school year and we encourage students to keep working hard to the end and seek support if needed.

Summer Office Hours

The School office will be open Mondays to Thursdays
9:00AM - 1:00PM , Closed Fridays

◆ Closed - July 28th to August 1st

◆ Regular Office Hours Return August 25th

Please check the school website for office closure updates!

CAREER CENTRE

Congratulations to Dito Aregon who completed the KPU Carpentry Foundations District Program this semester and is working full time this summer, earning his hours towards his red seal.

A big congratulations to Kaelyn Chong who received a \$2500 scholarship from the Surrey Fire Fighter's Charitable Foundation and had an impressive performance at the 3 day Fire Service Youth Academy!

Our Grizzly Den is very proud!

Thank You to Our Community Partners

We extend our deepest gratitude to all the community organizations that generously contributed to the Grandview Heights Scholarship Fund for 2025. Your support plays a vital role in helping our students pursue their educational dreams. Your commitment to investing in the future of our youth is truly inspiring, and we are incredibly thankful for your partnership.

Together, we are building a brighter future.

DANCE DEPARTMENT

Grandview Heights Dance Program Celebrates a Milestone Year!

As we wrap up our fourth year, the Grandview Heights Dance Program is proud to reflect on an incredible season of growth, creativity, and achievement. This year marked an exciting new chapter with the launch of our competitive Dance Company class, and our dancers rose to the occasion with passion and dedication.

One of the year's standout moments was our unforgettable trip to Disneyland in February, where students had the opportunity to learn, perform, and bond in the most magical setting. Our dancers also shone brightly at the Level Up Dance Competition—our Junior Hip Hop Team earned an impressive 4th place, while our Jazz Team took home 1st place and the prestigious Top Student Choreography Award!

In addition to competitions, our dancers expanded their artistic horizons with a field trip to Vancouver to see *Modus Operandi*, an inspiring experience that deepened their appreciation for contemporary dance.

We're thrilled to invite families and friends to our year-end **Dance Showcase on June 18** in the theatre—a celebration of all the hard work, talent, and joy our students have poured into their craft.

Looking ahead, we're excited to announce that **Ms. Pishvaei will return next year on Thursdays** as part of a job share with Ms. Twigg. Together, they will continue to nurture our dancers and grow our program.

Thank you to all our students, families, and supporters for making this year such a success. We can't wait to continue offering enriching dance experiences in our community and beyond!

HUMANITIES CO-OP

Humanities Adventure Students Thrive in Real-World Work Experiences

This year's Humanities Adventure students have truly excelled during their work experience placements. Through dedication, maturity, and a strong work ethic, they made the most of every opportunity—gaining valuable real-world skills and insights that extended far beyond the classroom.

Many students impressed their employers so much that they were offered part-time positions for the summer — a testament to their professionalism and the impact of hands-on learning.

To celebrate their achievements, the group embarked on a two-day trip to Whistler. The adventure wasn't just about fun (though there was plenty of that!); students also explored elements of physical geography and physical education, connecting their learning to the stunning natural environment around them.

Congratulations to all our Humanities Adventure students and to the employers who took the time to work with our students and build their employability skills!

HUMANITIES CO-OP CONTINUED

ATHLETICS

This year marked our third year of the Grandview Heights Hockey Academy and it was our largest Academy to date. We had 52 student athletes from grades 8-12 enrolled in the Academy this year. Here are some photos from the last couple weeks of our students giving back to the community at the Surrey Food Bank and hiking the Grouse Grind. We look forward to welcoming our new grade 8's into the Academy next year.

GRANDVIEW VISUAL ARTS

Our Visual Arts Department recently hosted an Art Exhibition, Evolve, which focuses on the powerful theme of Activism through the lens of Photography, Ceramics, and Visual Arts. This exhibition aims to showcase how art can amplify important social, environmental, and political messages,

sparking conversation and action. Our three Independent Studies Art 11/12 students curated & promoted the show which included work from Ms. Wardle & Ms. Mitro's Visual Art classes, Ms. Mears Ceramics & 2D Art classes & Mr. Wardle's photography classes.

The exhibition featured works from talented student artists in grades 9-12 who use their craft to address urgent issues and bring awareness to various causes. It was a wonderful opportunity for students to engage with art in a meaningful way and see how creative expression can intersect with activism to create social change.

GRANDVIEW VISUAL ARTS

VISUAL ARTS

Creative Writing + Art Collaboration: Pitch Perfect Superheroes!

Classes: Ms. Gill's Creative Writing 10 & Ms. Wardle's Art 10–12

Students in Creative Writing 10 and Art 10–12 teamed up for an exciting cross-curricular project: **Pitch Perfect Superheroes**—a challenge to create original superhero characters worthy of a Disney animated feature!

Learning Goals:

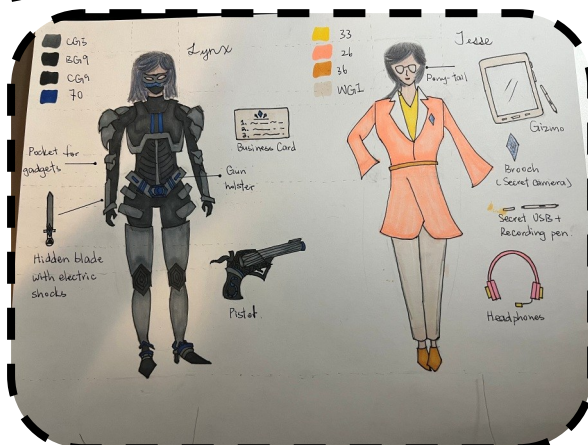

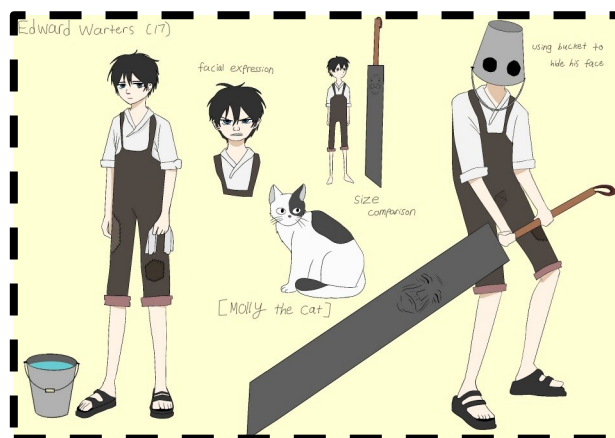

- Collaborate across disciplines to develop a compelling character concept
- Use visual art and creative writing to build a cohesive and engaging pitch
- Present ideas clearly and persuasively in a mock industry setting

Partners worked together to craft backstories and world building. Then art students brought the characters to life with stunning visual renderings and costume designs, while writing students crafted polished pitches. The energy and creativity were outstanding! Every student brought something unique to the table, and it was fantastic to see their ideas grow through peer feedback and team collaboration.

We wrapped up the project with live pitch presentations, judged by staff based on creativity, clarity, Disney-readiness, and collaboration.

🏆 There were winners for; Best Overall Pitch, Most Disney-Ready and Best Character Design

We're so proud of the imaginative thinking, teamwork, and storytelling our students showcased.

GRIZZLIES THEATRE PRODUCTIONS

Grandview Theater Company had a busy Spring presenting two major productions - *And Then There Were None* and *Ghostlight*.

Both plays were a great experience for audience and performers alike.

MUSIC DEPARTMENT

As the school year comes to a close, we're excited to share some highlights from what has been a vibrant and rewarding spring season for the **Grandview Heights Music Program**. From concerts and community outreach to festival performances and travel opportunities, our music students have been representing GHS with pride across the province and beyond.

In April, our concert bands and choir performed at our Spring Concert, sharing music they had been preparing for upcoming festival trips. It was a fantastic evening of live performance and a great way to celebrate the hard work of our students.

Following the concert, our Grade 10–12 Band students travelled to Edmonton to participate in the Cantando Music Festival. Over five days, they performed for professional adjudicators, took part in workshops, and connected with other music programs from across Western Canada. It was a powerful learning experience and a chance for our senior musicians to grow artistically and personally. All ensembles received a Gold Standing with their adjudicated performances, a reflection of their hard work and musical excellence. Beyond the festival, students also had the opportunity to tour the Alberta Legislature, explore the West Edmonton Mall, and attend evening gala concerts featuring outstanding guest ensembles.

In the beginning of May, our Choir participated in the Con Brio Music Festival in Whistler, where they worked with top Canadian choral clinicians and performed alongside ensembles from across the country. This festival was a meaningful opportunity for our singers to build confidence, refine their craft, and feel part of something bigger than themselves. The Concert choir received a Silver standing for their adjudicated performance.

From May 12–14, our Grade 8 and 9 Band students went on their own music tour to Kelowna. They performed for new audiences, stayed at Green Bay Camp, and had a chance to bond as a group through music and shared experiences. In addition to their performances, students enjoyed a variety of camp-led activities including team-building games, campfire sessions, and lots of fun and laughter throughout the trip. A highlight was their visit to the Energyplex Entertainment Centre, where they had a blast exploring everything from climbing walls to arcade games. For many students, this was their first performance tour, and it was an unforgettable and meaningful experience.

This month, several of our music ensembles also visited local elementary schools, performing for younger students and helping to build a strong musical bridge between our school and the broader community. These outreach events were a wonderful opportunity for our students to act as ambassadors of the arts and to inspire future musicians.

Additionally, our Grade 8 Concert Band took part in the Surrey Elementary and Grade 8 Band Revue, performing in front of adjudicators and gaining valuable feedback. Their growth and professionalism were on full display.

All Band, Jazz Band and Choir students performed at our Year-End Music Concert on Thursday, June 12. This evening was a terrific celebration of our students' hard work throughout the year, and clearly demonstrated the progress that our students have made.

To top it all off, we are incredibly proud to announce that our Senior Jazz Band will be performing at the Vancouver International Jazz Festival on June 21st. This is one of the most respected jazz events in the country, and it's a huge honour for our students to be part of it.

The past few months have been a busy and successful time for the GH Music Program, and we're proud of the effort and growth our students have shown. Whether or not your child is involved in music, we hope you'll join us in recognizing the hard work and dedication of students who represented Grandview Heights so well in a variety of public performances and events.

Thank you for helping support a school community that values well-rounded learning and student involvement.

Reminder Note for Surrey Schools Students

Once a student is withdrawn or graduates, Example: is no longer an Active student in the District, their account is placed in a holding state for 40 calendar days. During this time, the former student may access emails and files they previously had access to in Office 365. After the 40 calendar days have elapsed, the surreyschools.ca account

MEDICAL ALERTS

Parents/Guardians are responsible to update the school with any medical issues.

A Medical Alert condition is defined as a physician diagnosed, potentially life threatening condition such as:

- Diabetes.
- Epilepsy.
- Anaphylaxis
(history of a severe allergic response which requires planned support inside as well as outside the school environment).
- Severe Asthma
(history of episodes requiring immediate medical treatment or a history of requiring immediate medication).
- Blood clotting disorders such as hemophilia that require immediate medical care in the event of injury.
- Serious heart conditions.
- Other conditions which may require emergency care and/or the administration of medication as determined in consultation with parents/student/family physician, school and Medical Health Officer or designate.

To update, please email grandview@surreyschools.ca . Forms can be obtained from “[Parent Resources](#)” on our website or by visiting the school office.

In emergency situations, the parent/guardian or emergency contact shall be contacted.

As per District policy, we are unable to provide students with any over-the-counter medication (example: Advil, Tylenol).

PARKING / DROP-OFFS & PICK-UP INSTRUCTIONS

Grandview Heights Secondary Administration, staff and school PAC has worked together with the Surrey School District and City of Surrey to address some of the many traffic and safety concerns in and around our school property. I would like to thank our PACs transportation committee for their leadership and help with our work together. We have included a school traffic flow map and general updates to ensure student and staff safety remains a top priority during the morning drop off and afternoon pick up times. Please review the following information and be sure to adhere to all instructions included in this communication.

The major concerns are regarding the South-West Entrance way that runs along the West side of the Main office and in front of the Theatre. In particular, the congestion that is created when the Visitor Parking and the Accessible Parking spaces are used for the drop-off and pick-up of students is an issue that we would like to bring to everyone's attention. **We ask that vehicles do not pull into, and then out of, the Staff & Student Parking Lot or any Accessible Parking spaces for the purpose of drop-offs or pick-ups.**

Student Drop-Off and Pick-Up. For parents dropping off students at school, there are two laneways which run along the South side of the main classroom section of Grandview Heights. Vehicles will need to travel towards the far South-East part of the school property to enter these lanes and turn left to enter these lanes and head West through the laneways. The laneway furthest to the South has angled visitor parking spaces, while the laneway North of this is designed for vehicles to pull parallel to the curb to allow for exit and entrance to vehicles by students. **Please be aware that the doors on the East side of the building are available for students to enter the school through in the morning.**

Student Parking – Students parking vehicles on school property are required to park in the North-West section of the parking lot that sits to the West of the Tech-Ed Shops. **A student parking pass may be obtained from the main office.**

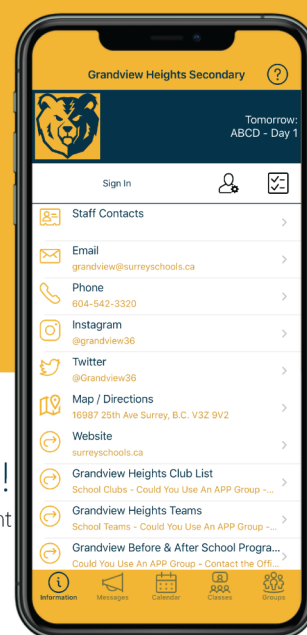

Please always drive carefully and slowly while on school property and do not enter or travel through the Bus Lane.

STUDENT BIKES, SCOOTERS & BOARDS

Students and Guardians. Please make sure you have the necessary equipment to secure your personal transportation devices to one of the provided parking racks surrounding the outside of the school. Scooters, Skateboards, Bikes and like devices will not be permitted to be stored in the school office or other general inside areas as this can create a safety hazard.

We thank everyone for understanding!
