HOME OF THE GRIZZLIES • "WHERE EVERYONE IS SOMEONE"

November 2025 Newsletter

Principal's Message:

Dear Grandview Heights Families,

As we move deeper into the fall season, I want to take a moment to reflect on the past few months since the start of the school year. It has been a busy and rewarding few months at Grandview Heights Secondary, and I am proud of the commitment, dedication, and accomplishments of our students and staff.

Recent Highlights

- **A Strong Start to the School Year**

Our opening months have been filled with enthusiasm and engagement. From our Grade 8 boat cruise and student welcome activities, to the successful launch of Semester 1 courses, our students have settled in and are demonstrating positive learning habits and school spirit.

- **Community Connections**

Thank you to all families who attended our **Parent Information Night** and **Parent-Teacher Conferences** in October. Your participation and partnership play a vital role in supporting student success.

- **Safer Schools Together Workshops**

Our Grade 8 and 9 students took part in updated digital safety presentations from *Safer Schools Together*. The sessions sparked meaningful conversations about responsible online behavior, digital citizenship, and the importance of maintaining personal safety in an always-connected world. Presenters noted how respectful and engaged our students were—something we are very proud of.

Looking Ahead

- **Report Cards & Assessment**

Mid term report cards are now available online. Please check your emails for instructions that were sent out this week to all parents. We encourage families to review progress together and connect with teachers if you have questions or concerns.

- **Winter Music Concerts**

Our Music Department is preparing for their annual Winter Concert on December 16th. These events are one of the highlights of the year and showcase the incredible talent of our student musicians.

- **Course Planning for 2026–2027**

After the winter break, students will begin planning for next year's courses. More information and planning tools will be provided in January. We encourage families to discuss goals, interests, and graduation pathways together.

As we approach the final weeks before winter break, I want to express my sincere appreciation for the support, trust, and collaboration we share with our school community. Grandview Heights continues to be a place where students feel connected, supported, and motivated to reach their potential—and that is thanks to the outstanding partnership we have with our families.

I wish all of our students, staff, and families a warm, joyful, and restful holiday season. Let's return in January ready to make 2026 another incredible year for the Grizzlies.

Warm Regards,

Principal,
Grandview Heights Secondary
Darren Bedard

PERFORMING ARTS - MUSIC

The Grandview Heights Music Program has had an active and successful Fall! All nine of our large ensembles performed in our Fall Music Concert in late October, and our Jazz Band students participated in our Fall Jazz Night in early November with great success! Our Senior Concert Bands and Concert Choir performed in our three Remembrance Day Assemblies on November 7. Our grade 10 – 12 concert bands participated in the Surrey Concert Band revue last week and received very positive feedback.

Students are currently busy preparing for several upcoming holiday concerts. Our grade 10 – 12 students will be performing for the grade 6 & 7 students from our family of schools in our theatre on December 11. Our Senior Jazz Band is preparing for a concert on the evening of December 12th at Knox United Church. This group will be opening for the semi-pro adult jazz band Vancouver Groove Orchestra; it is our third year in a row to be invited to perform at this event and we are really looking forward to it! Tickets can be purchased at vancouvergroove.com. Our Winter Concert will take place on Tuesday, December 16th at 6:30 pm in the large gym of our school. All our concert bands, jazz bands and choir will perform at this event. We hope to see many friends and family members in the audience! Admission is by donation and can be paid at the door.

After the winter break, our groups will start preparing for our festival season. The GHS Concert Choir will participate in the Surrey Choral Festival on January 22. Our four jazz bands and senior jazz combo will perform at the Surrey Jazz Festival on February 20 and 21. Our concert bands will all work towards performing at various festivals on our spring trips in April and May.

On Friday, March 6th we will be holding our annual Jazz & Java concert! This evening will feature our four jazz bands, as well as professional trumpet player Daniel Hersog, who will be performing alongside our students as a guest artist! Our large gym will be transformed into a café-style space where guests can enjoy the music alongside refreshments such as coffee, tea, and a variety of delicious desserts. Throughout the evening, we will be holding a silent auction, with many exciting items to bid on. Tickets for this event will be sold in advance, and will cost \$15 per adult, \$12 per student, and children 5 and under will be free of charge. They will go on sale in February. Please save the date for this fun-filled event!

Thank you to our parents and staff for their continued support of the GHS Music Program!

ATHLETIC NEWS

Grizzly Athletics – Fall Season Success

Our fall athletics season has been exceptional. Grandview fielded 10 teams during our fall season (6 volleyball teams, 2 boys soccer teams, Aquatics and Cross Country teams). Many teams finished at or near the top of their leagues and had strong showings at South Fraser and even provincial championships.

Senior Boys Soccer

Our Senior boys had an exceptional season finishing near the top of their division. They peaked in playoffs where they won the South Fraser Championship game earning a berth to provincial championships where they finished 8th in BC!

Junior Boys Soccer

Our Junior boys team finished top 8 in Surrey which qualified them for South Frasers where they tied for 5th.

Grade 8 Girls Volleyball Teams

We were lucky enough to find coaches to support 26 girls and 2 teams at the Grade 8 level! Our Gold team finished 2nd in Surrey making it all the way to the Surrey Championship game. They had a solid showing at South Frasers falling one win short away from provincials.

Junior Girls Volleyball Team

Our junior girls had an exceptional season. They dominated league play, finished near the top in all their tournaments and finished 2nd in Surrey, 2nd in South Frasers, and 5th place at Provincials!

Senior Girls Team

Our girls senior girls finished 5th in South Frasers and were one win away from Provincial championships. Their major highlight was taking home the title and winning a 28 team tournament at Victoria Island University.

Junior Boys Volleyball Team

With the addition of a last second coach, the boys had the opportunity to play in their league. This was a great experience for the boys as they came in with little volleyball experience so had the chance to improve and win several games.

Senior Boys Volleyball Team

The boys finished top 4 in their division and finished 5th in South Frasers and were 2 wins away from BC championships. The highlight of their season was hosting a 3 day, 20 team tournament at Grandview and taking home Bronze.

Cross-Country

Our athletes represented Grandview with determination at regional competitions, with several strong individual finishes. We earned top spot in the Junior Category winning South Frasers. Several athletes had the chance to travel to Nanaimo to compete in provincials

Aquatics

Our swim team dominated the pool taking home several South Fraser Banners. They succeeded in both team relays and individual races. Many students competed at Provincial championships.

WINTER SPORTS

Our winter sports season is just getting started. We are fielding 7 basketball teams, an ice hockey team and are sending a handful of wrestlers to compete in local events. Grandview is excited to support these teams and cheer them on.

PARKING / DROP-OFFS & PICK-UP INSTRUCTIONS

Grandview Heights Secondary Administration, staff and school PAC has worked together with the Surrey School District and City of Surrey to address some of the many traffic and safety concerns in and around our school property. I would like to thank our PACs transportation committee for their leadership and help with our work together. We have included a school traffic flow map and general updates to ensure student and staff safety remains a top priority during the morning drop off and afternoon pick up times. Please review the following information and be sure to adhere to all instructions included in this communication.

The major concerns are regarding the South-West Entrance way that runs along the West side of the Main office and in front of the Theatre. In particular, the congestion that is created when the Visitor Parking and the Accessible Parking spaces are used for the drop-off and pick-up of students is an issue that we would like to bring to everyone's attention. **We ask that vehicles do not pull into, and then out of, the Staff & Student Parking Lot or any Accessible Parking spaces for the purpose of drop-offs or pick-ups.**

Student Drop-Off and Pick-Up. For parents dropping off students at school, there are two laneways which run along the South side of the main classroom section of Grandview Heights. Vehicles will need to travel towards the far South-East part of the school property to enter these lanes and turn left to enter these lanes and head West through the laneways. The laneway furthest to the South has angled visitor parking spaces, while the laneway North of this is designed for vehicles to pull parallel to the curb to allow for exit and entrance to vehicles by students. **Please be aware that the doors on the East side of the building are available for students to enter the school through in the morning.**

Student Parking – Students parking vehicles on school property are required to park in the North-West section of the parking lot that sits to the West of the Tech-Ed Shops. **A student parking pass may be obtained from the main office.**

**Please always drive carefully and slowly while on school property
& do not enter or travel through the Bus Lane.**

Reminder Note for Surrey Schools Students

Once a student is withdrawn or graduates, Example: is no longer an Active student in the District, their account is placed in a holding state for 40 calendar days. During this time, the former student may access emails and files they previously had access to in Office 365. After the 40 calendar days have elapsed, the surreyschools.ca account expires which means emails and files are no longer accessible.
