- **Respectful Participation:** Always respect your teacher, your classmates and classroom resources. You are expected to listen to what others have to say, including both the teacher and the students. Use appropriate language and volume. Keep the classroom and equipment clean. Also, do not pack your material to leave unless your teacher directs you to do so at the end of the class.
- **Bathroom Breaks:** Always ask the teacher if you need to exit the classroom for any reason including washroom breaks so that I know where you are in case of emergency. Before leaving please sign in on the sign out sheet. No more than 2 people at a time.
