

COURSE OUTLINE: WORKPLACE MATHEMATICS 1 1

Teacher: Ms. Gill

Room: C013

Email: gill_p2@surreyschools.ca

Content:

Students are expected to learn the following content:

- Slope Rate of Change
- Scale and Similarity
- Representing 3D Objects
- Probability and Likelihood
- Statistics and Data
- Financial Literacy
- Finance and Banking

Evaluation:

Assessments include: -

- Class work 5%
- Quizzes 30%

- Unit Tests 65%

Work habit Grade will be based on class participation, homework completion and completing all the assessments on time.

Supplies:

- ❖ 3- ring binder with lined papers and dividers
- ❖ Pencil/eraser or Pen, ruler, highlighters
- ❖ Scientific Calculator
- ❖ Graph paper
- ❖ Geometry Set including a Compass.
- ❖ Ruler with both metric and imperial scales
- ❖ Course Notes

Classroom Expectations:

Punctuality: You are expected to come to class each day **on time**. When you are late, you miss the important information, sometimes the beginning of the new concept and you feel lost throughout the class.

- First time: warning

- Second time: Detention
- Third time: Phone call home

Attendance: Please do not miss a class unless there is a reasonable medical or personal issue

- If it is one class, message me on teams for the notes or check teams for notes.
- If you miss 2 or more classes, your parents will be contacted.

Cell – Phone: If you are using your phone during instruction time, you will be advised to put it at the designated area.

Cheating: No warnings for cheating. If you are caught cheating, you will receive zero for that assessment and you will not be allowed to re-do it.

Bathroom Breaks: Always ask the teacher if you need to exit the classroom for any reason including washroom breaks. No more than 2 people at a time.

I WISH YOU ALL THE SUCCESS IN THIS COURSE!

I AM HERE TO HELP YOU, SO PLEASE DON'T HESITATE TO ASK QUESTIONS.

I have read and I understand the above information given to me. Please sign and submit.
