Bell Let's Talk

Today [@Bell](#) will be donating towards mental health initiatives in Canada by contributing 5¢ for every applicable text, call, tweet or TikTok video using [#BellLetsTalk](#).

This year more than ever, we need to be aware of mental health.

Here are five things to be aware of:

1. Language matters. Words can help but also hurt.
2. Educate yourself on matters of mental health.
3. Be kind.
4. Listen and ask questions. Be willing to start the conversation.
5. Mental health issues are more common than you think.

Scent Safety

Just a reminder that we have scent policies at our schools. Scented hand sanitizers, scented personal hygiene products, essential oils etc. can adversely affect a person's health. Please refrain from sending your child to school with scented products.

Student Learning Survey 2020/2021

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2021 the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section.

The e-survey site will be open until April 30th.

If you have any questions, please contact the school at 604-595-2767.
