Mon, Mar 29 th	Class is back in Session	Mon, Apr 26 th	Virtual PAC Meeting 6:30 -8:00 PM
Fri, Apr 2 nd	Good Friday – School is Closed		

Principal's message

We know this has been a very different year for everyone. Thank you for helping us stay healthy at school these past two terms by following all the Government orders regarding gatherings and socializing.

We want to return to a regular school year for September so please have a safe Spring Break. Limit your contacts with people outside of your immediate family. Limit playdates, to outdoors and groups of up to 10 only. We want everyone to return to school healthy and ready for the last term - COVID free.

Get outside, tend your gardens, try out some of the fitness websites listed on the back.

We will welcome everyone back on Monday, March 29th.

Kindly,
Mrs. L. Grills

Reports Home

Our second formal report card went home this week. Please take the time to go through it. It is a great snapshot of your child's progress this past term.

Welcome Back and Good Byes

We would like to welcome back some familiar faces; Ms. Radford, Ms. Howlett and Ms. Oyhenart into the Kindergarten and K/1 blended classes. It is so lovely to have them back with us.

We wish Ms. Ferguson well in her new position and thank her for the great job she has done in Division 33.

Ms. Chand is leaving us to have her second child. We wish her well on her upcoming delivery and can't wait to see pictures of her new addition.

PAC Fundraising

A paper copy of all of the fundraising opportunities the PAC has put together for the school went home on Monday. Please take some time and consider supporting one or more to help the school raise funds for much needed technology!!

Please click [here](#) for the digital copy.

Our Purdy's orders went home yesterday. Thank you to those who ordered!!

Remember to spring forward Sunday, March 14th at 2:00am for daylight savings.

Spring Break Opportunities

Community Schools Partnership love to focus on helping our students health, mental well-being and physical fitness.

Over Spring Break we encourage our students all around Surrey to use these resources to stay physically and mentally healthy over the two weeks.

During normal times, our recreation centres and partners would have Spring Break Camps and other resources for parents and our students.

Our belief is that even though we are living through COVID, it is still important to take charge of our physical health.
