## Earth Day

Thursday, **April 22 is Earth Day**, and to celebrate, here are some ideas families can do at work and at home to reduce their energy consumption.

**Lights off when leaving a room.**

### **Remove the box and reduce gas costs by 15%**

- As winter is over you may not need the ski box or rack on the car and if you use it for a couple of weeks of camping, remove when not needed as ski boxes and even just racks can reduce your fuel economy by 11-19% depending on your vehicle style.
- At an average 15% reduction in fuel economy, that is like paying \$1.72 per litre of gas. Put another way, you can reduce your greenhouse gas emission and costs from driving by 15%.

**As the weather improves and the temperature warms up, there's no better time to get kids walking and rolling to school. Let's see if we can get the entire school walking, running, riding or rolling into school. Not only is it good for the environment, it helps build healthy hearts!**

As the weather gets warmer, please remember to send your child with footwear that is safe for climbing, running and outdoor play. Flipflops are not recommended.

## Lost and Found

Lost and Found Items were left out this week on display. Tweets and reminders to check for any lost items were sent out to all families. Any items still left Friday, will be packed up and sent to Goodwill.

## Additional Early Dismissal Days

The District has provided three extra Early Dismissal Days for staff to continue to monitor and revise Health and Safety Protocols at schools during COVID. Please mark your calendars. **April 30, May 14 and June 7 Goldstone Park students will be dismissed at 1:30pm.**

## Pick up and Drop Off

Just a reminder that when dropping off or picking up students, please move your vehicle into the drop off zone before your child exits the vehicle. It is very easy to be in a hurry and not be watching carefully enough and that is when accidents can happen. If you are dropping off students on 146<sup>th</sup> Street, please make sure you are stopping in an appropriate place and ensure that your child crosses at the crosswalk. Supervision begins at 8:15 AM and students should not be dropped off before this time. Supervision ends at 2:45 PM and students should be on their way home by this point. If you can, walk, drop and go to reduce the amount of adults onsite.

## **COVID Resources**

The district has recently created a [fact sheet](#) and a [short video](#) outlining the health and safety protocols we are implementing in our schools.

## **PAC NEEDS YOU!!!**

The PAC Wants You!!! If you are new to the school or new to the school experience, please consider taking on a more active role in your child's schooling by becoming a part of PAC.

Our PAC president has completed his two terms and is not able to continue in that role according to the PAC constitution. A new president needs to be elected. There are other positions to fill as well. Schools need to have an operating PAC to be able to access Government Gaming Funds. Without a PAC we would miss out on thousands of dollars of grant money.

The PAC Role in School:

- \*to enhance the academic, social emotional and physical education of the students at Goldstone
- \*to establish and promote a sense of community among the students, parents and staff of Goldstone
- \*to link with the community as a whole

To this end the PAC through its executive and associated committees sponsor a variety of parent education, fundraising, social and school development events. In addition, the PAC and parents provide support through their involvement in fundraising, the classroom, library, fieldtrips as well as other school events.

Please consider taking on one of the roles.

The next PAC meeting is Monday, April 26 at 6:30.
